Nine Months: Inside Out S.W. Senek,2008-01-01 Synopsis Bob and Lisa are having a baby and their lives will change forever This circular play is a month by month guide made up of nine scenes revolving around one couple exploring different points of view on how the birth of one baby can affect so many lives Cast Size 2 Males 2 Females Delivering the Secret Letters Laurel Payne,2014-02-18 Author Laurel Payne s latest book Delivering the Secret Letters will convince you that no matter what you are going through or what you have been through knowing God s purpose for your life will give you hope and joy For Laurel life hasn t always been hope filled or joyful It hasn t always been safe or easy either Yet it s precisely because of the challenges and difficulties life has given her that she is able to show you in Delivering the Secret Letters why today she exudes an unchangeable desire passion and love for Christ As you read her life s story you ll grow confident that your life too will be filled with a special purpose by having a relationship with God as His son or daughter Poems for Our Grandchildren Edith G. Bauman,Dr. Robert P. Bauman,2011-10-26 hared memories bind families and friends together Not least important among these are memories of stories songs and poems repeated often and incorporated into everyday thought and expression The child who grows up unaware of literature of the past is surely impoverished To fill this vacuum with the deluge of current song lyrics and drama from television and movies is scarcely a satisfactory solution We heard many of the poems assembled here from our mothers and have often read or recited most of these to our children The volumes from which they came are falling apart and long since out of print or too bulky for convenient handling Thus we saw

the need for a compact selection Although from a variety of scattered sources we leaned heavily on a collection that appeared early in the 20th century in the magazine Normal Instructor Primary Plans subsequently published as Poems Teachers Ask For by F A Owen Publishing Company of Danville N Y Many of the poems such as the Mother Goose rhymes are no longer attributable to individuals and are heard in different versions Where authors are known we have given the name and have adhered to original words spelling and punctuation In the very few instances in which wording has been changed an asterisk has been placed by the authors name and the changes noted at the end of the book Since the collection was first assembled our own grandchildren have become the readers rather than the read to Yet to our knowledge no substantial body of new poetry has come along to take the place of these traditional works that range from light fancy to the joys and perils of growing up and the heroism of those who came before us Thus these out of date poems may be even more important to the children of the 21st century than to those for whom they were originally compiled This small collection ranges from familiar nursery rhymes to somber works on the struggles and valor of our forebearers It is our hope that these poems may bring mirth joy and an appreciation of our heritage to new generations of children and to their parents and grandparents
