## Ark For The Uncalled:

Literary Exorcisms of Stalinism Margaret Ziolkowski,1998 A study of the cultural implications of portraits of Stalin and his era since his death in 1953 This work explores the cultural implications of prominent images in Russian thought and literature devoted to the Stalin era since the dictator's death in 1953 Author of the works discussed include some of the most important Russian writers of the past four decades Solzhenitsyn Vasilii Grossman Vladimir Voinovich Anatolii Rybakov among others *Reference Guide to Russian Literature* Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Commentary ,1985 The Architecture of the Heavens. Containing a New Theory of the Universe and the Extent of the Deluge, and the Testimony of the Bible and Geology in Opposition to the Views of Dr. Colenso Ezekiel Stone Wiggins,1864 **Joshua** Richard Nelson,1997-04-15 This Old Testament Library volume offers a commentary on the book of Joshua The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *The Literary Review* ,1985 *In the Image of God* Judith S. Antonelli,1997-02-01 In the Image of God A Feminist Commentary on the Torah is a unique blend of traditional Judaism and radical feminism and is a groundbreaking commentary on the Bible the central document of Jewish life Using classical Jewish sources as well as supplementary material from history anthropology sociology psychology ancient religion and feminist theory Judith Antonelli has examined in detail every woman and every issue pertaining to women in the Torah parshah by parshah The Torah is divided into fifty four portions each portion or parshah is read in the synagogue on the Sabbath combining a few to make a yearly cycle of readings This book is modeled on that structure hence there are fifty chapters each of which corresponds to a parshah One may therefore read this book from beginning to end or use it as a study guide for the parshah of the week The reader will discover in these pages that the Torah is not the root of misogyny sexism or male supremacy Rather by looking at the Torah in the context in which it was given the pagan world of the ancient Near East it becomes clear that far from oppressing women the Torah actually improved the status of women as it existed in the surrounding societies Not only does this book refute the common feminist stereotype that Judaism is a patriarchal religion but it also refutes the sexism found in Judaism by exposing it as sociological rather than divine law Punch ,1984-10 *The Babel of the Sects, and the Unity of Pentecost* Henry Thomas Edwards (Dean of Bangor.),1872 **Twentieth Century Authors** Howard Haycraft,Stanley J. Kunitz,1944 *Cumulated Fiction Index* ,1980 *Lange's Commentary on the Holy Scripture, Volume 2* Lange, John Peter, All sixty three of the original volumes are included in a nine volumes set There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the

particular subject Lange's Commentary on the Old and New Testaments translated revised edited and enlarged from the German editions of John Peter Lange and many contributors and edited by Philip Schaff Lange's Commentary on the entire Bible has remained one of the most useful and valuable work of its kind It is conservative in theology and universal in hermeneutics Delmarva Publications is proud to make it available in digital format The original work was completed in 63 volumes but we have made it available in 9 volumes they are Volume 1 Genesis to Ruth Volume 2 1 Samuel to Esther Volume 3 Job to Ecclesiastes Volume 4 Song of Songs to Lamentations Volume 5 Ezekiel to Malachi Volume 6 Matthew to John Volume 7 Acts to 2 Corinthians Volume 8 Galatians to 2 Timothy Volume 9 Titus to Revelation

Translated from the Original, by J. Mendham, 1849 How Are the Mighty Fallen? Barbara Green, 2003-06-01 This book marries the several elements a given text 1 Samuel a focal character King Saul a spacious and creative theorist Mikhail Bakhtin a historical context the collapse of monarchic Israel and the moment for return The dilemma for the exile community is to return with royal leadership or without it a reading challenge is can a character be a cipher for a corporate experience Saul represent the whole monarchic experience The author argues that the narrative of 1 Samuel may be read as a riddle propounding the complex story of Israel Judah's experience with kings as an instruction for those pondering leadership choices in the sixth century The work is an extended reflection on what went wrong with kings and why new leadership must be attempted The extended riddle of Saul works to show how the life of the king is fundamentally destructive not because any is malicious but because of many factors of weakness and inadequacy that will be familiar to readers
