

Arkansas Hiking Trails

Clemens Wendtner

Arkansas Hiking Trails:

Historic Hiking Trails Steve Rajtar, 2012-10-03 Approximately 900 hiking trails in the United States take hikers along routes or past sites of historical importance and offer commemorative embroidered patches or other souvenirs of the outing. These trails allow hikers to gain a new appreciation for history and actually experience it instead of only reading about it and have something to show for their hike. The first comprehensive guide to those trails this work covers routes in all fifty states and the District of Columbia as well as interstate trails. The book categorizes each as historic meaning that it played some significant role in history, historical meaning that it takes the hiker by or into buildings or sites that have some relationship to a significant person or event but do not themselves figure in history, nature or scenic because of the wildlife or scenery available along the way that can be viewed along with the historical site, or recreational meaning that the trail was established for the long distance hiker and history buff. Each entry also tells who the trail's sponsor is, if alternate means of transportation are allowed, location, length, route, type of terrain, what type of awards are given, and any associated costs, registration requirements, and sites along the trail. **Patriarch Tichon, 1917-1925**, 1965 *Selected Arkansas Hiking and Backpacking Trails*, 1990 **Arkansas Hiking Trails** Tim Ernst, 2010 This popular guidebook is the most complete resource available on Arkansas hiking trails. It contains 78 maps and complete descriptions of trails all over the state from short nature walks to long distance backpacking trails and lots of others in between. It covers all of the major trails plus many unheard of ones that lead to spectacular scenic areas. There is information about hiking, camping, equipment, and other useful subjects. Tim Ernst has hiked more trails in Arkansas than anyone and his advice will be valuable for anyone who hikes or wants to. It makes a great gift. The foreword was written by former President Bill Clinton. Hiking Arkansas Janie Jones, Wyatt Jones, 2003-10 From the Mississippi bottomlands in the east to the hill country of the Ouachita and Ozark mountains in the west, Arkansas offers a wide range of excellent four season opportunities for the outdoor enthusiast. Out of over 250 designated trails in Arkansas, Arkansas natives Janie and Wyatt Jones compiled a sampling of nature walks, day length hikes, and backpacking trails that would appeal to a wide cross section of people. Hiking to the authors is not a competition with nature in which only the strong and well conditioned may triumph, but a celebration of nature to be enjoyed by all, including children, senior citizens, and the disabled. Hiking Arkansas is therefore a guide for the novice hiker as well as the veteran. *1986 Arkansas Statewide Trails Plan*, 1986 Ouachita National Forest, Arkansas-Oklahoma, 1995, *Arkansas Hiking Trails Guidebook* Bella George, 2024-04-15 Arkansas Hike Like a Local in 2024 Unforgettable Trails Breathtaking Vistas and Hidden Gems Await.
