Armenians In Massachusetts

E. Philip Brown and Tom Vartabedian

Armenians In Massachusetts:

The Armenians in Massachusetts Federal Writers' Project of the Works Progress Administration of Massachusetts, Federal Writers' Project, 1975 **Armenians of the Merrimack Valley** E. Philip Brown and Tom Vartabedian, 2016-02-08 When one thinks of the Merrimack Valley shoe shops and mills come to mind For that reason it was a hotbed for Armenian immigrants following World War I and the genocide that robbed Armenia of half its population with some 1 5 million victims lost at the hands of the Ottoman Turkish Empire and another million people uprooted from their homes and scattered to a Diaspora Many of these refugees came to the Merrimack Valley settling in the cities of Haverhill Lawrence and Lowell to eke out a better life for themselves and their families Aside from sweatshop labor they sought work as barbers and mercenaries business owners and handymen going to night school for better English standards and keeping their rich heritage and culture intact with their churches and community centers Despite the discrimination they faced with their strange names and lifestyles the Armenians remained tenacious and resilient contributing to the overall welfare of their new promised land *The Armenians in America, 1618-1976* Vladimir Wertsman, 1978 A chronology of the Armenians in America accompanied by pertinent documents *America and the Armenian Genocide of 1915* Jay Winter, 2004-01-08 Before Rwanda and Bosnia and before the Holocaust the first genocide of the twentieth century happened in Turkish Armenia in 1915 when approximately one million people were killed This volume is an account of the American response to this atrocity The first part sets up the framework for understanding the genocide Sir Martin Gilbert Vahakn Dadrian and Jay Winter provide an analytical setting for nine scholarly essays examining how Americans learned of this catastrophe and how they tried to help its victims Knowledge and compassion though were not enough to stop the killings A terrible precedent was born in 1915 one which has come to haunt the United States and other Western countries throughout the twentieth century and beyond To read the essays in this volume is chastening the dilemmas Americans faced when confronting evil on an unprecedented scale are not very different from the dilemmas we face today *The Armenians in Massachusetts* , 1937
Armenian-Americans Anny P. Bakalian, 1993 Based on the results of an extensive mail questionnaire survey in depth interviews and participant observation of communal gatherings this book analyzes the individual and collective struggles of Armenian Americans to perpetuate their Armenian legacy while actively seeking new pathways to the American Dream This volume shows how men and women of Armenian descent become distanced from their ethnic origins with the passing of generations Yet assimilation and maintenance of ethnic identity go hand in hand The ascribed unconscious compulsive Armenianness of the immigrant generation is transformed into a voluntary rational situational Armenianness The generational change is from being Armenian to feeling Armenian The Armenian American community has grown and prospered in this century *Congressional Record* United States. Congress, 1953 **The Armenians in Massachusetts (Classic Reprint)** U. S. Works Progress Administration, 2018-10-08 Excerpt from *The Armenians in Massachusetts* The

history of the Armenians in Massachusetts is necessarily a part of American history since it is one of the tributary streams of the American past The Armenians are among the most recent of the newcomers to America They too have been subjected to the melting pot which is the strongest factor in effecting the unification of the American culture I hope the future generations of Armenians will maintain the traditional industry and high ideals of the Armenian race The merging of the old and the new is the tried method of continuing progress About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Armenians Hamo B. Vassilian,1993

The Imperial and Asiatic Quarterly Review and Oriental and Colonial Record ,1895 Beginning Apr 1895 includes the Proceedings of the East India Association

A grammar of Iranian Armenian Hossep Dolatian,Afsheen Sharifzadeh,Bert Vaux,2023-10-20 Iranian Armenian is the variety of spoken Armenian that was developed by Armenians in Tehran Iran over the last few centuries It has a substantial community of speakers in California This variety or lect is called Persian Armenian p sk h je en or Iranian Armenian i n h je en by members of the community The present book is not a comprehensive grammar of the language It occupies a gray zone between being a simple sketch versus a sizable grammar We attempt to clarify the basic aspects of the language such as its phoneme inventory noticeable morphophonological processes various inflectional paradigms and some peculiar aspects of its syntax We likewise provide a sample text of Iranian Armenian speech Many aspects of this variety seem to be identical to Standard Eastern Armenian SEA so we tried to focus more on those aspects of Iranian Armenian which differ from SEA The phonology has developed new phonemes and intonational contours due to contact with Persian The morphophonology has grammaticalized allomorphic patterns that are phonosyntactic meaning they reference syntactic information Nominal morphology is largely identical to SEA but with some simplification of irregular processes Verbal morphology is similar to SEA but with major innovations in the aorist paradigm The aorist or past perfective paradigm has undergone a change whereby irregular patterns have been reanalyzed as regular patterns The syntax is largely the same as SEA but with innovations due to contact with Persian such as object clitics and the use of resumptive pronouns

The Impact of Soviet Policies in Armenia Mary Allerton Kilbourne Matossian,1962

We Are All Armenian Aram Mrjoian,2023-03-14 A collection of essays about Armenian identity and belonging in the diaspora In the century since the Armenian Genocide Armenian survivors and their descendants have written of a vast range of experiences using storytelling and activism two important aspects of Armenian culture Wrestling with questions of home and self diasporan Armenian writers bear the burden of repeatedly telling their history as it remains widely erased and obfuscated Telling this history

requires a tangled balance of contextualizing the past and reporting on the present of respecting a culture even while feeling lost within it *We Are All Armenian* brings together established and emerging Armenian authors to reflect on the complications of Armenian ethnic identity today These personal essays elevate diasporic voices that have been historically silenced inside and outside of their communities including queer multiracial and multiethnic writers The eighteen contributors to this contemporary anthology explore issues of displacement assimilation inheritance and broader definitions of home Through engaging creative nonfiction many of them question what it is to be Armenian enough inside an often unacknowledged community

Armenia Helen C. Evans, Constance Alcheres, Ina Baghdiantz McCabe, Anna Ballian, Sheila R. Canby, Kathrin Colburn, Yolande Crowe, Michael Daniel Findikyan, Rachel Goshgarian, Grigor Grigoryan, Zsuzsanna Gulácsi, Asoghik Karapetian, Anna Leyloyan-Yekmalyan, Christina Maranci, Sylvie L. Merian, Erin Piñon, Earnestine M. Qiu, Joanna Rapti, Joanna Rydzkowska-Kozak, Suzan Yalman, 2018-09-22 At the foot of Mount Ararat on the crossroads of the eastern and western worlds medieval Armenians dominated international trading routes that reached from Europe to China and India to Russia As the first people to convert officially to Christianity they commissioned and produced some of the most extraordinary religious objects of the Middle Ages These objects from sumptuous illuminated manuscripts to handsome carvings liturgical furnishings gilded reliquaries exquisite textiles and printed books show the strong persistence of their own cultural identity as well as the multicultural influences of Armenia's interactions with Romans Byzantines Persians Muslims Mongols Ottomans and Europeans This unprecedented volume written by a team of international scholars and members of the Armenian religious community contextualizes and celebrates the compelling works of art that define Armenian medieval culture It features breathtaking photographs of archaeological sites and stunning churches and monasteries that help fill out this unique history With groundbreaking essays and exquisite illustrations *Armenia* illuminates the singular achievements of a great medieval civilization

p1 margin 0 0px 0 0px 0 0px font 14 0px Verdana *The United States and the Armenian Genocide* Julien Zarifian, 2024-05-17 During the first World War over a million Armenians were killed as Ottoman Turks embarked on a bloody campaign of ethnic cleansing Scholars have long described these massacres as genocide one of Hitler's prime inspirations for the Holocaust yet the United States did not officially recognize the Armenian Genocide until 2021 This is the first book to examine how and why the United States refused to acknowledge the Armenian Genocide until the early 2020s Although the American government expressed sympathy towards the plight of the Armenians in the 1910s and 1920s historian Julien Zarifian explores how from the 1960s a set of geopolitical and institutional factors soon led the United States to adopt a policy of genocide non recognition which it would cling to for over fifty years through Republican and Democratic administrations alike He describes the forces on each side of this issue activists from the US Armenian diaspora and their allies challenging Cold War statesmen worried about alienating NATO ally Turkey and dealing with a widespread American reluctance to directly confront the horrors of the past Drawing from congressional records rare

newspapers and interviews with lobbyists and decision makers he reveals how genocide recognition became such a complex politically sensitive issue

America's Changing Neighborhoods Reed Ueda, 2017-09-21 A unique panoramic survey of ethnic groups throughout the United States that explores the diverse communities in every region state and big city Race ethnicity and immigrants lives and identity these are all key topics that Americans need to study in order to fully understand U S culture society politics economics and history Learning about place through our own historical and contemporary neighborhoods is an ideal way to better grasp the important role of race and ethnicity in the United States This reference work comprehensively covers both historical and contemporary ethnic and immigrant neighborhoods through A Z entries that explore the places and people in every major U S region and neighborhood America s Changing Neighborhoods An Exploration of Diversity uniquely combines the history of ethnic groups with the history of communities offering an interdisciplinary examination of the nation s makeup It gives readers perspective and insight into ethnicity and race based on the geography of enclaves across the nation in regions and in specific cities or localized areas within a city Among the entries are nearly 200 neighborhood biographies that provide histories of local communities and their ethnic groups Images sidebars cross references at the end of each entry and cross indexing of entries serve readers conducting preliminary as well as in depth research The book s state by state entries also offer population data and an appendix of ancestry statistics from the U S Census Bureau details ethnic and racial diversity

Congressional Record United States. Congress, 2000 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
