**Around Lake Memphremagog** Bea Aldrich Nelson, Barbara Kaiser Malloy, 2003 Around Lake Memphremagog is a pictorial timeline of the thirty mile long body of water that shares its Vermont history with Canada The lake has for thousands of years played a critical role in the lives and history of the Wabanaki Memlabagwok the Abenaki name for the lake was the waterway crossroads at the heart of the western Abenaki homelands Since the 1600s Lake Memphremagog has influenced the development of the northern Vermont and southern Canadian towns and villages along its shores This combined cultural history and heritage is recalled here through sketches vintage photographs and postcards Quebec's Eastern Townships and the World Cheryl Gosselin, Andrew C. Holman, Christopher Kirkey, 2025-03-04 The Eastern Townships of Quebec are celebrated in popular discourse as a charming and remote nature playground for busy Montrealers an appendage to stately Quebec City and a northern abutment to the Northeast Kingdom of the United States A closer look reveals a region with its own gravity sense of being and worldly connections Quebec s Eastern Townships and the World examines the region s direct links to larger prevailing international forces and identities Here the Eastern Townships take centre stage as the reader encounters the vibrancy of a place marked not by its insularity but by its long history a central meeting ground shaped by its many engagements with the world The book provides new perspectives on compelling and significant topics in Townships history and culture including Indigenous land use the mobility of peoples to and from the region linguistic diversity economic production education sport religion and culture in myriad forms These studies recast the Eastern Townships as a centre a borderland a lieu de passage between nations communities and peoples Featuring original and compelling insights Quebec s Eastern Townships and the World confirms that this beautiful region was and is a global place one intimately connected to the world **Fashioning the Canadian Landscape** J.I. Little, 2018-01-01 In his book Fashioning the Canadian Landscape J I Little examines how Canada much like the United States came to be identified with its natural landscape Little argues that in contrast to America Canada s image was strongly influenced by the picturesque convention favoured by British travel writers **Paintings and Drawings at the Shelburne Museum** Shelburne Museum, Nancy C.
