Around Africa And Asia By Sea:

Around Africa and Asia by Sea Irene M. Franck, David M. Brownstone, 1999-06-01 The Spice Route was the first true link between East and West. At the height of its use it linked the great civilizations of the Mediterranean, India and Southeast Asia. The Spice Route is believed to have originated some 5 000 years ago and parts of the route are traveled today. To follow its development is to observe the power struggle of countless empires for its control and to learn how Western and Eastern cultures adapted to each other through economic partnership. The Cape of Good Hope Route around Africa played an equally critical role in East West trade. 50 maps and illustrations. Around Africa and Asia by Sea Irene M. Franck, David M.
