There's Hope for the World Richard Arrington, 2008-10-12 On a sultry September morning in 1955 a young African American man the son of share croppers boarded a Greyhound bus in Birmingham Alabama to leave his home state for the first time in his life He was headed for the University of Detroit on a teaching scholarship from Miles College Richard Arrington could not have guessed then that his future as a teacher would be postponed for decades by big city politics and that he would serve a record setting five terms as chief executive of Alabama s largest city Under Arrington s leadership Birmingham rebuilt itself from a foundering steel driven industrial center to one of the most diversified metropolitan areas in the Southeast with an economy fueled by health care biomedical research engineering telecommunications and banking As mayor Arrington s economic legacy is impressive When he left office Birmingham boasted a record number of jobs and the lowest unemployment rate in its history Additionally Birmingham had built the strongest tax base in Alabama expanded its city limits by 60 square miles reduced crime to its lowest level in 25 years and funded a 260 million school construction

program Today Birmingham is financially sound and is the only city in the Southeast with a 100 million endowment fund

"Why My Son?" Chris Breen, 2013-02-11 Chris Breen's book is of a dad's mission in life to get his disabled son's voice heard. Nathaniel's disability has had so many life-altering events it used to turn the family upside down. Now those events are every day life to the Breen family. Dad kept notes over the years of medical and legal terms being used but in time it was his soul pouring out onto the pages in front of him. Chris' bitterness and anger ran deep but he never lost the focus of his family and made the commitment of never giving up. The struggles of life will not stop coming; it is how we manage and recover from them that makes us who we are today.

Rescued Not Arrested H. Roger Munchian, 2023-07-01 With chains binding him to the edge of insanity, his cry echoes off the jail cell walls. God help me. Armenian immigrant Roger Munchian grew up among the violence and hopelessness of Los Angeles. Despite the surrounding violence, Munchian was a model student. No one would have suspected the hidden life of drugs, thievery, and violence bubbling behind that facade. His unquenchable thirst for money and power led him to build a multi-million dollar empire on drugs and violence. He ran fast. He ran hard. It took highway death and carnage to finally stop him. The high-speed collision with a highway median wall left twelve-time felon Munchian strapped to the crazy chair in a Maricopa County jail. Booked on two counts of vehicular homicide, he was certain to face death row. His road to wealth and power was bloody, as was his road to salvation. God heard his cry for help and arrived at his jail cell that night with a miracle. For the first time in Munchian's life, God was real. But his past caught up to him, and his luck, bought by slick, high-priced lawyers and easy money, ran out. Munchian faced a lifetime of incarceration. His only hope was in the grace of God, and the only way out of the mess was by turning his life completely over to Him. Based on a true story, *Rescued Not Arrested* is a story of how God shows Himself in our deepest depths of hopelessness and how His love rescues us from our own paths of destruction.
