club moves me from Chelsea until Chelsea wants me to move because I want to be where I am loved Jose Mourinho January
2014 Yet in December 2015 the love affair came to an incredible and stunning end This book chronicles the entire
remarkable story of Jose Mourinho and Chelsea with a critical insight into how and why it ended so dramatically
Confrontational passionate full of chutzpah Mourinho is a masterful tactician and surely the best boss in the history of
Chelsea Yet for a second time the Emperor of the Bridge Roman Abramovich cast him aside The reason having won the
Premier League the team s defence of the title proved to be one of the most bizarre periods in the club s history In his first
stint at Stamford Bridge the self styled Special One won two League titles back to back the FA Cup and two League Cups and
included a still unsurpassed Premier League points tally record of 95 in the 2004 5 season On returning home after a six year
absence Mourinho receiving a welcome by an army of Chelsea fans who love him every bit as much as they used to He
rewarded their faith in some fashion sweeping aside newly rich Manchester City to soar to a third League title with three
games to spare as well as a third League Cup Then came the biggest collapse of any defending title holder Why did it happen
Who was to blame Was there a players rebellion Who panicked behind the scenes and why How much was the row with the
first team doctor Eva Carneiro at the heart of Mourinho s second sacking from Chelsea The answers lie in this fully revised
updated and expanded edition of Harry Harris s biography It brings Mourinho s story right up to date showing exactly why
English football would be infinitely poorer without the colourful commanding and controversial presence of the Special One
