Material Nick Kary,2020 An important book brimming with insight Nicholas Evans author of *The Horse Whisperer* A master craftsperson explores the ways in which working with our hands reveals the essence of both our humanity and our relationship with the natural material world In our present age of computer assisted design mass production and machine precision the traditional skills of the maker or craftsperson are hard to find Yet the desire for well made and beautiful objects from the hands and mind of a skilled artisan is just as present today as it ever has been Whether the medium they work with is wood metal clay or something else traditional makers are living links to the rich vein of knowledge and skills that defines our common human heritage More than this though many of us harbor a deep and secret yearning to produce something to build or shape to imagine and create our own objects that are imbued not only with beauty and functionality but with a story and in essence a spirit drawn from us Nick Kary understands this yearning For nearly four decades he has worked on commission to make fine distinctive furniture and cabinets from wood most of it sourced near his home in the counties of South West England During this time he has been both a teacher and a student one who is fascinated with the philosophy and practice of craft work of all kinds In *Material* Kary takes readers along with him to visit some of the places where modern artisans are preserving and in some cases passing on the old craft skills His vivid descriptions and eye for detail make this book a rich and delightful read and the natural and cultural history he imparts along the way provides an important context for understanding our own past and the roots of our industrial society Personal engaging and filled with memorable people landscapes and scenes *Material* is a rich celebration of what it means to imagine and create which in the end is the essence of being human and native to a place As Kary puts it Wood and words trees and people material and ethereal it is here I love increasingly to dwell Perfect for fans of

The Hidden Life of Trees or Norwegian Wood Material is a rich inspiring read for woodworkers potters craftspeople bibliophiles and anyone who enjoys working with their hands *Craft Ideas (28 Snowflake Templates - Fun DIY Art and Craft Activities for Kids - Difficult)* James Manning,Christabelle Manning,2019-06-21 28 snowflake templates Fun DIY art and craft activities for kids Difficult Go Create Rob Rawson,2019-01-30 Go Create suggests dozens of creative ideas for outreach through the Christian year and at special times like Easter and Harvest so that local churches can engage imaginatively with their communities A year s worth of outreach projects are provided together with complete step by step instructions on how to make and create the art and craft elements along with reflection on how the Christian festivals can be used to create good opportunities for mission and evangelism
