the city itself while celebrating New York as both a place and an idea **Canadiana** ,1989-06 *Saveur* ,2008 *Makeup to Breakup* Peter Criss,2012-10-23 LEGENDARY founding KISS drummer Peter Catman Criss has lived an incredible life in music from the streets of Brooklyn to the social clubs of New York City to the ultimate heights of rock n roll success and excess KISS formed in 1973 and broke new ground with their elaborate makeup live theatrics and powerful sound The band emerged as one of the most iconic hard rock acts in music history Peter Criss the Catman was the heartbeat of the group From an elevated perch on his pyrotechnic drum riser he had a unique vantage point on the greatest rock show of all time with the KISS Army looking back at him night after night Peter Criscuola had come a long way from the homemade drum set he pounded on nonstop as a kid growing up in Brooklyn in the fifties He endured lean years street violence and the rollercoaster music scene of the sixties but he always knew he d make it Makeup to Breakup is Peter Criss s eye opening journey from the pledge to his ma that he d one day play Madison Square Garden to doing just that He conquered the rock world composing and singing his band s all time biggest hit Beth 1976 but he also faced the perils of stardom and his own mortality including drug abuse treatment in 1982 near suicides two broken marriages and a hard won battle with breast cancer Criss opens up with a level of honesty and emotion previously unseen in any musician s memoir Makeup to Breakup is the definitive and heartfelt account of one of rock s most iconic figures and the importance of faith and family Rock n roll has been chronicled many times but never quite like this Practical Home Economics ,1937 The Sept issue contains the annual Teaching aids section **Art Culinaire** ,1995 *Blue Ribbon* Karal Ann Marling,1990 Covers everything from prize animals to fair architecture to speeches to Pronto Pups *1950s American Style: A Reference Guide (soft cover)* Daniel Niemeyer,2013 Facets of the Fifties A reference guide to an iconic Decade of Movie Palaces Television Classic Cars Sports Department Stores Trains Music Food Fashion and more **The Saturday Evening Post** ,1942 SCC Library has 1974 89 plus scattered issues **Index de Périodiques Canadiens** ,2001 **The Spring Suit** Sir Pelham Grenville Wodehouse, Rosie was going to buy a new spring suit for George s birthday Looking at that sentence again I see that it could be open to misconstruction The suit was for herself But it was to be bought in honour of George s birthday and flashed before his admiring gaze for the duration of that occasion Altogether taking it all round George Mellon s twenty first birthday promised to be one of the biggest things in history In the afternoon he was going to strike his employer for a raise in the evening he and Rosie would dine at the McAstor instead of the red ink place they usually frequented and at night they would take in a show with possibly a bite of supper afterwards at a cabaret place A formidable program and one that made it imperative that Rosie s dress should not be out of the picture She had been saving all the winter to buy a really irreproachable suit and the money was in the bank straining at the leash All that remained was to make a good selection You probably know Rosie by sight She sits in a sort of kiosk in front of one of those motion picture palaces that have sprung up in recent years like a rash on the face of our fair city You hand your money in through a little pigeonhole in the glass front of her den and she presses a

button causing a cardboard ticket to leap at you out of a brass slab Thus far you may argue that I have not sufficiently identified Rosie New York being full of girls who do conjuring tricks in glass cages True since the movie delirium set in there are a great many girls who do this But Rosie is the one who smiles The others give you your ticket with a sort of aloof hauteur They have a resigned air as if the spectacle of multitudes wasting money on the movies saddened them If they spoke you feel that they would say Oh well what s the use There s one born every minute Rosie is different Rosie beams at you She has a cheerful little face with a nice wide mouth and when you push your hard earned money through the opening in the glass a flash of white teeth encourages you to believe that after all you may not be going to waste your evening and that you will not subsequently kick your spine up through your hat for having been such a chump as to pay thirty good cents to see Mabelle Gooch or whoever it is tumble over herself in Lepers of the Great White Way or whatever the picture is called You go in feeling heartened with a vague impression that Rosie must be a rather nice girl George Mellon the party of the second part is also curiously enough a door hound a keeper of the gates and a dweller upon the threshold But he works by day He is the presentable young man who sits in the anteroom at the offices of the Ladies Sphere and keeps people from seeing the editor Editors who are human beavers industrious little creatures who work hard and shrink from the public gaze generally employ to insure privacy a small boy with red hair a tight suit and an air of having seen all the trickery and wickedness in the world At the Ladies Sphere however where beautiful and refined women are popping in and out all day like rabbits something with a little more tone is required and George landed the job against a field of twenty six competitors This should enable you to get an adequate angle on George It is not every young man who can head off without offense lovely creatures in Paris frocks and mink coats and convince them simultaneously that it is the editor s dearest wish to have a long cozy chat with them but that he can t see them this morning Men with less diplomacy than George have held down ambassadorships in foreign capitals
