The Dragon's Human Lily Winter, 2019-09-26 It's not unusual for Kai's best friend and business partner to be a little hard to track down. Wolf shifters don't always check email. But for Noah to drop off the grid for days? Something's wrong. Noah's trail dead ends hard against Kai's worst fear: a lab, a place of nightmares for creatures like him. As he prepares to walk in, he hopes like hell he'll walk out again. With Noah preferably alive, Lucy is thrilled with her dream job: head scientist at a private lab with her pick of plum projects. But lately she suspects she's surrounded by secrets. Sketchy meetings, people who arrive but don't leave, even hidden passageways. One peek behind a forbidden door and too late she remembers why she shouldn't snoop. Kai was ready for anything, but he never expected to meet the desperate eyes of the one thing he never thought he'd find: his mate. Worse, she's not the only complication. There's a lab full of them. And a secret that could threaten the freedom, even the lives, of every more-than-human on the planet.

Chasing the Dragon's Tail Yoshio Manaka, Kazuko Itaya, Stephen Birch, 1995 The text introduces Dr Manaka's major clinical and theoretical accomplishments by describing how the X signal system is the foundation of human topography, function, and response. In essence, the X signal system defines qi yin yang and the five phases as clinical events rather than as abstract theories. The text gives Western readers the first complete description of this treatment system.

The Dragon's Price (A Transference Novel) Bethany Wiggins, 2017-02-21 Fans of Julie Kagawa's *Talon* and Renee Ahdieh's *The Wrath and the Dawn* will devour this action-packed fantasy adventure about a girl who chooses to surrender herself to a deadly dragon rather than marry an enemy prince. When two warring kingdoms unified against a deadly dragon laying waste to both their lands, they had to make a choice: vow to marry their heirs to one another or forfeit their lives to the dragon. Now centuries later, everyone expects Princess Sorrowlynn to choose the barbarian prince over the fire-breathing beast, but she is determined to control her own destiny or die trying. As she is lowered into the dragon's chamber, she assumes her life is over until Prince Golmarr follows her with the hopes of being her hero and slaying the dragon. But the beast has a different plan. There are no safe havens for Sorrow or Golmarr, not even with each other, and the stakes couldn't be higher as they risk everything to protect their kingdom. An exciting and magical adventure with heaping helpings of romance.
