

Reconstitution d'un épisode du siège d'Alésia par César. L'armée de vétérans gaulois a brûlé les défenses romaines. Les légionnaires, brandissant leurs glaives comme des lances, essaient de les tenir en échec. Lorsque César arrive la cavalerie, ils lancent leurs glaives et chargeront à l'épée.

Army Of The Caesars

Harry Pratt Judson

Army Of The Caesars:

The Army of the Caesars Michael Grant,1974 *The Army of the Caesars* Michael Grant,1992 In this dramatic and exciting book the first general history of the army in Roman society Michael Grant shows how the rise and decline of imperial Rome was intimately connected with the balance of political and military power The role of the army in the Roman Empire was a formidable one the emperor depended on the soldiers for his continued existence as the empire itself But an army powerful enough to defend the frontiers and keep the Roman peace also had the power to destroy the emperor Against this ever present danger the emperors took unceasing precautions one of their principal methods being to surround themselves with bodyguards the Praetorian Guard But what began as a protective measure had wider repercussions for the Guard came to play an even greater part in the internal politics of the empire Thus the Roman army was a two edged weapon it maintained the existence of the empire yet at the same time it very often weakened and damaged that empire by removing and setting up emperors amid savage civil strife The history of Rome s military rulers is singularly relevant today for there are still countries in the world where the army is in firm control of the administration The story of The Army of the Caesars provides a model of how civil strife focused around the holders of military power inevitably occurs endangering the

precarious equilibrium of large areas of the world Book Jacket **Caesar's Army** Harry Pratt Judson,2011-06 Caesar s Army in peace and war Students of military history have long been fascinated by the history armies and great commanders of ancient Rome for within its organisation strategy tactics weapons campaigns and wars are to be found the origins of each of the military disciplines demonstrated by often sophisticated methods and practices developed millennia in the past and yet still able to provide valuable lessons to strategists and tacticians in the modern world Rome had a long history and in keeping with all empires marched a Hard road to its zenith before commencing an equally long decline We often look towards the period of Gaius Julius Caesar and his legions to appreciate the Roman military machine in some of its finest hours This book is an invaluable guide for those interested in the Roman Army during Caesars time It details army organisation weapons and equipment It examines the Legions and the cavalry in detail both on and off the field of battle Tactics fortifications and siege engines are fully described as are methods of fighting afloat Finally the enemies of the Roman Empire from the Gauls to the ancient Britons are considered and their battle tactics and fortifications examined In this Leonaur edition the illustrations from the original edition have been enlarged to assist the reader and maps of notable campaigns battles sieges and marches are also included Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket **Caesar's Army** Harry Pratt Judson,1888 **Caesars Of Rome: A Dynasty Of Rulers**

A.J.Kingston,2023 Are you ready to dive into the intriguing world of ancient Rome and witness the rise and fall of its most powerful and notorious rulers Then look no further than the Caesars of Rome A Dynasty of Rulers book bundle This meticulously curated collection features twelve riveting biographies of the most iconic Caesars in history including Julius

Caesar's Army Harry Pratt Judson,1903 This military history classic contains the following chapters I The Organization 1 The Infantry of the Legion 2 The Standards 3 The Music 4 The Baggage Train 5 The Auxiliary Infantry 6 The Cavalry 7 The Artillery 8 The Staff and Staff Troops II The Legionary 1 Enlistment 2 Clothing 3 Armor 4 Arms 5 Baggage 6 Work 7 Pay 8 Discipline III Tactics of the Legion Military Terms A Order of Battle B The Order of March IV Tactics of the Cavalry V Tactics of the Army A The Battle B The March C The Camp D The Siege VI The Ships and Sea Fights A Defence of Fortified Towns B The Gallic Array and Arms C The British Chariots Caesar Theodore Ayrault Dodge,2012-08-09 At the time of his death Julius Caesar was the most powerful man on earth Beginning with the Gallic Wars he had fought a series of epic campaigns culminating in the brutal civil war that brought the Roman Republic to an end and gave birth to the new Roman Empire His battles ranged over much of the known world from Spain Gaul and Italy to Greece Asia Minor and Egypt Caesar's own Commentaries are a classic account of how he led his beloved legions into battle but they leave many questions of war and strategy unanswered Theodore Ayrault Dodge's illustrated history of Caesar was first published in 1892 as part of his Great Captains series The author an experienced military officer and historian visited all of the major battlefields and made full use of ancient sources His history follows Caesar's entire career reconstructs his victories and defeats and explains his lasting impact on the art of war Caesar is an unparalleled military history of one of the world's greatest generals This ebook edition includes an active table of contents reflowable text and over 250 campaign maps battle diagrams and other illustrations

Blood of the Caesars Stephen Dando-Collins,2008-02-01 Could the killing of Germanicus Julius Caesar the grandson of Mark Antony adopted son of the emperor Tiberius father of Caligula and grandfather of Nero while the Roman Empire was still in its infancy have been the root cause of the empire's collapse more than four centuries later This brilliant investigation of Germanicus Caesar's death and its aftermath is both a compelling history and first class murder mystery with a plot twist Agatha Christie would envy **Caesar's Greatest Victory** John Sadler,Rosie Serdiville,2020-01-10 A good account of one of the most decisive battles of the ancient world Who knows how world history would have proceeded had Caesar been defeated New York Journal of Books Julius Caesar's campaign of 52 BC frequently hung in the balance Celtic chieftain Vercingetorix was a far more formidable opponent than any he'd encountered in Gaul The Romans were caught totally off guard and it

seemed all too likely that their grip on Gaul which Caesar had imagined secure would be pried free Failure would have been a total defeat for Caesar not just in Gaul but in the Senate Rome would not have become an empire beyond the Mediterranean It was a decisive moment in world history The Siege of Alesia itself was one of the most astonishing military undertakings of all time Caesar's interior siege lines stretched for eighteen kilometers and were surrounded by an outward facing line three kilometers longer complete with palisades towers ditches minefields and outposts This work was completed in less than three weeks Vercingetorix's refuge proved a trap and despite an energetic defense and the arrival of a huge relief army there was to be no escape Using new archaeological evidence the authors reveal both sides of the conflict and construct a fresh account of not just the siege but also the Alesia campaign placing it into the wider context of the history of warfare This is Roman history at its most exciting featuring events still talked about today Those seeking a primer on Alesia need look no further than this excellent book HistoryNet *Caesars: From Republic To Empire* A.J. Kingston, 2023 Welcome to the world of ancient Rome where power struggles political maneuvering and the rise and fall of empires have captivated audiences for centuries Dive into the fascinating history of the Caesars with our book bundle *Caesars From Republic to Empire* featuring four enthralling volumes that take you on a journey through the lives and times of Julius Caesar Augustus Tiberius and Caligula In Book 1 *Julius Caesar The Rise of a Political Prodigy* you will witness the birth of one of the greatest leaders in history Follow Julius Caesar as he navigates the treacherous waters of Roman politics rises to power and transforms the Republic into an empire In Book 2 *Augustus The Rise of Rome's First Emperor* you will witness the birth of the Roman Empire itself Follow Augustus as he consolidates his power expands the empire's borders and establishes the foundations for centuries of imperial rule In Book 3 *Tiberius The Reluctant Emperor* you will discover the story of one of Rome's most complex and enigmatic rulers Tiberius's reign was marked by political intrigue military campaigns and a complex relationship with his predecessor Augustus In Book 4 *Caligula The Mad Emperor* you will witness the tragic downfall of Rome's most notorious emperor Follow Caligula as he ascends to power transforms from a promising young leader into a despotic madman and ultimately meets his end at the hands of his own people With *Caesars From Republic to Empire* you will gain a deeper understanding of the political social and cultural forces that shaped one of the most influential empires in human history This book bundle is a must read for history buffs lovers of political intrigue and anyone who wants to explore the fascinating world of ancient Rome Order your copy today and join us on an unforgettable journey through the lives and times of the Caesars *Contemporary Business 2010 Update* Louis E. Boone, David L. Kurtz, 2009-12-30 Opening new doors of possibility can be difficult *Contemporary Business 13e 2010 Update* Edition gives students the business language they need to feel confident in taking the first steps toward becoming successful business majors and successful businesspeople As with every good business though the patterns of innovation and excellence established at the beginning remain steadfast The goals and standards of Boone Kurtz *Contemporary Business* remain intact and focused on excellence as always *Roman*

Military Medicine Valentine J. Belfiglio, Sylvia I. Sullivan, 2019-03-27 This work sheds light on the mostly obscure topic of medicine and its use in the Roman military It explores the workings of the ancient healthcare system the methods of care by physicians and the treatments for different ailments and injuries The contributions utilise historical writings archeological artifacts and more recent research on the United States military in order to discuss the past with an eye on the future of military and wildlife survival

Synoptic Gospels Stanley E. Porter, Craig A. Evans, 2015-01-29 This volume collects the best articles on the Synoptic gospels from the first fifty issues of the Journal for the Study of the New Testament The range of the volume reflects the breadth of the journal itself Here the reader will find ground breaking studies that introduce new critical questions and move into fresh areas of enquiry surveys of the state of play in this particular topic of New Testament studies and articles that engage with each other in specific debates For undergraduates this book offers an invaluable critical introduction to Synoptic Gospel studies More advanced students and scholars can use it to find background material or to gain an overview of the research in this area of scholarship This builds on the reputation of JSNT as a conduit for first class research and a major influence within the scholarly community

The Battle of Pharsalus (48 BC) Gareth C. Sampson, 2023-07-31 In August 48 BC following the earlier battle at Dyrrhachium the two greatest Roman commanders of their generation met in battle again at Pharsalus in Greece Julius Caesar conqueror of Gaul had been defeated at Dyrrhachium and forced to retreat but now stood at bay to face Pompey the Great conqueror of the East At stake lay the future of the ailing Roman Republic each man believing he alone had the solution to restoring Republican government Gareth Sampson examines the campaigns which led up to the battle as well as the role played by the various regional powers who got drawn into the Roman Civil War The Battle of Pharsalus itself is analyzed in detail to determine the strengths and weakness of both armies and their various commanders as well as the organization equipment and tactics of the forces involved in the battle which culminated in a decisive victory for Caesar The author concludes with consideration of the aftermath of the battle which saw Pompey murdered in Egypt and Caesar distracted by the affairs of the East

Caesar's Army; A Study of the Military Art of the Romans in the Last Days of the Republic Harry Pratt Judson, 2008-07-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Caesars: Dominance And Power A.J. Kingston, 2023 Step back in time to the world of ancient Rome with Caesars Dominance and Power a four in one book bundle that explores the fascinating lives and reigns of four of the most intriguing emperors in history Claudius Nero Galba and Otho Each of the four books in this bundle delves deep into the personality and rule of a different emperor offering a comprehensive and engaging exploration of their lives and legacies In Claudius The Unlikely Emperor you ll discover how a man once deemed an imbecile rose to become one of Rome s most just and successful emperors while Nero The Legacy of a Damned Emperor takes a closer look at the mad tyrant who played the lyre while Rome

burned Galba The Short Lived Emperor explores the rise and fall of a man who struggled to hold onto power and ultimately met a violent end and Otho The Forgotten Emperor sheds light on the brief but significant reign of a man who briefly seized power after Galba's assassination Together these four books offer a captivating and comprehensive exploration of ancient Rome and the individuals who shaped its history Whether you're a history buff or simply fascinated by the world of ancient empires Caesars Dominance and Power is a must read So why wait Order your copy today and embark on a journey through one of the most intriguing and tumultuous eras in history **The Standard Bearer** A. C. Whitehead, 1967 *Caesar's Great Success* Alexander Merrow, Agostino von Hassell, Gregory Starace, 2020-03-30 An in depth look at the world's first ever military logistical supply system and how it fed Caesar's armies in the field Logistics have become a principal if not a governing factor in modern military operations Armies need to be fed and supplied and the larger the army the greater the logistical difficulties that have to be overcome Two thousand years ago when communications were far more primitive the size of armies was limited by the difficulties of supply It was because the Romans developed a sophisticated supply system that they were able to maintain large armies in the field armies that conquered much of the then known world In Caesar's Great Success the authors examine and detail the world's first ever fully developed logistical supply system the forerunner of today's complex arrangements This includes an examination of the sea river and land transportation of food while on campaign and of how the food was assembled at the operational bases and subsequently distributed The defense of the Roman food supplies and especially of lines of communication was an important factor in Caesar's operational planning as was interdicting the enemy's supplies The eating habits of Caesar's men are considered and what items could be obtained locally by forage and which were taken by requisition and how much food a legionnaire was expected to carry on campaign With this the nature of the actual food consumed by the legionnaires is therefore examined and sample recipes are provided with each chapter of the book to enable the reader to relive those momentous days when Caesar and Rome ruled the world

The Army of the Roman Republic Michael Sage, 2016-03-30 From the moment its last king was expelled traditionally in 753 the Roman republic had to fight for its very survival Centuries of almost continuous warfare saw Rome's armies evolve in response to a wide variety of threats which were met with mixed fortunes though always with ultimate success As defence of the homeland turned to territorial expansion Roman forces also had to adapt to sustained campaigns in varied terrain and climates not to mention the changes in the Roman republic itself Michael Sage traces the development of the republic's army from its foundation having first set the context of their regal antecedents down to the time of its most famous leader Julius Caesar The transition from clan based forces through the Servian levy and the development of the manipular and cohortal legion is examined along with the associated weapons tactics and operational capabilities We see how the legions shaped up against the challenges of successive enemies from the Celts and Samnites the Carthaginians and the hitherto dominant Hellenistic armies based on the Macedonian style pike phalanx **Matthew and the Roman Military** John E.

Christianson,2022-05-05 This book addresses the ways in which the Gospel of Matthew portrays and negotiates Roman military power John E Christianson argues that Matthew writing in the years following the Jewish War offers strategies such as avoidance accommodation non violent resistance mimicry and dreams of divine retribution and eschatological fulfillment to help his audience cope with life in Roman Syria With an eye toward the ways that military structures and networks of social power functioned to increase imperial control over people and territory Christianson shows how Matthew s strategies include ways to help his audience negotiate potentially dangerous encounters with Roman military personnel This includes texts that address the possibility of state sanctioned violence by Roman aligned rulers Herod and Antipas the abuse of requisitioned labor in Roman angaria Jesus response to the direct request of a centurion with opaque motivations a vision of retribution on Roman eagles by the eschatological Son of Man and soldiers response to Jesus death and resurrection as a prelude to divine overthrow of Roman military power In all cases this book demonstrates how interpretation of Matthew s narrative must account for the pervasive presence of the Roman military in the ancient world
