Arnold Friberg The Passion Of A Modern Master:

Arnold Friberg Ted Schwarz,1985 **Arnold Friberg** Ted Schwarz,Arnold Friberg,1985 *The Mormon Jesus* John G. Turner,2016-04-25 For two centuries Jesus has connected the Latter day Saints to broader currents of Christianity even while particular Mormon beliefs have been points of differentiation From the author of the definitive life of Brigham Young comes a biography of the Mormon Jesus that enriches our understanding of The Church of Jesus Christ of Latter day Saints

Containment Culture Alan Nadel,1995-11-20 Alan Nadel provides a unique analysis of the rise of American postmodernism by viewing it as a breakdown in Cold War cultural narratives of containment These narratives which embodied an American postwar foreign policy charged with checking the spread of Communism also operated Nadel argues within a wide spectrum of cultural life in the United States to contain atomic secrets sexual license gender roles nuclear energy and artistic expression Because these narratives were deployed in films books and magazines at a time when American culture was for the first time able to dominate global entertainment and capitalize on global production containment became one of the most widely disseminated and highly privileged national narratives in history Examining a broad sweep of American culture from the work of George Kennan to Playboy Magazine from the movies of Doris Day and Walt Disney to those of Cecil B DeMille and Alfred Hitchcock from James Bond to Holden Caulfield Nadel discloses the remarkable pervasiveness of the containment narrative Drawing subtly on insights provided by contemporary theorists including Baudrillard Foucault Jameson Sedgwick Certeau and Hayden White he situates the rhetoric of the Cold War within a gendered narrative powered by the unspoken potency of the atom He then traces the breakdown of this discourse of containment through such events as the Bay of Pigs invasion and the Free Speech Movement at Berkeley and ties its collapse to the onset of American postmodernism typified by works such as Catch 22 and The Man Who Shot Liberty Valence An important work of cultural criticism Containment Culture links atomic power with postmodernism and postwar politics and shows how a multifarious national policy can become part of a nation s cultural agenda and a source of meaning for its citizenry **The American West** ,1984 Mormons and Popular Culture J. Michael Hunter,2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond *Mormons and Popular Culture The Global Influence of an American Phenomenon* provides an unprecedented comprehensive treatment of Mormons and popular culture Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore culture and history this book provides students scholars and interested readers with an introduction and wide ranging overview of the topic that can serve as a key reference book on the topic The work contains fascinating coverage on the most influential Mormon actors musicians fashion designers writers artists media personalities and athletes Some topics such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming

American popular culture through the inventions of television stereophonic sound video games and computer generated animation represent largely unknown information The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation researchers will find the references within the book s well documented chapters helpful **The Bloomsbury Review** ,1984 **Library Journal** ,1984 **Brigham Young University Studies** Brigham Young University,1985 A voice for the community of LDS scholars *BYU Studies* Brigham Young University,2005
