The Handbook of Fashion Studies Sandy Black, Amy de la Haye, Joanne Entwistle, Regina A. Root, Agnès Rocamora, Helen Thomas, 2014-01-02 The Handbook of Fashion Studies identifies an innovative spectrum of thematic approaches key strands and interdisciplinary concepts that continue to push forward the boundaries of fashion studies The book is divided into seven sections Fashion Identity and

Difference Spaces of Fashion Fashion and Materiality Fashion Agency and Policy Science Technology and New fashion Fashion and Time and Sustainable Fashion in a Globalised world Each section consists of approximately four essays authored by established researchers in the field from the UK USA Netherlands Sweden Canada and Australia The essays are written by international subject specialists who each engage with their section s theme in the light of their own discipline and provide clear case studies to further knowledge on fashion This consistency provides clarity and permits comparative analysis The handbook will be essential reading for students of fashion as well as professionals in the industry Sensations of Art-making: Triumphs, Torments and Risk-taking Purnima Ruanglertbutr,2013-10-01 Sensations of Art making Triumphs Torments and Risk taking is an exhibition curated by Purnima Ruanglertbutr that documents the collection of works by professional artist teachers who are graduates of Melbourne University s Master of Teaching Secondary Art program The works in this show demand attention by illustrating with sensitivity the triumphs torments and risk taking inherent to professional artistic practice Each of these artists is treading the difficult pathway of moving into the world of teaching while retaining their artist identity For some this transition into the classroom is still to come For others they are one two or even three years into lesson planning staff meetings sports days and report writing Theirs is the reality of conflict between their art production and being a teacher two seemingly incompatible worlds Through participation in this exhibition they are beginning to fashion a mechanism for keeping alive their passion for art while also nurturing a career teaching art to the next generation This exhibition catalogue documents the work of early career visual art educators and insightful commentaries by the artist teachers themselves these are artworks produced during those critical first years after teacher training Some exhibits explicitly address the role of art making within the teaching process Others purposefully avoid issues to do with the classroom by illustrating the artists ongoing development of a private professional practice Either way these are critical pieces of information in the elusive phenomenon of the artist teacher *Text* Textile Society,2000
