

A photograph of a beach at sunset. The sky is a warm orange and yellow. The ocean is dark, with white foam from waves crashing against a line of dark, jagged rocks in the foreground. The beach is made of dark sand. The text is overlaid on the image in a white, serif font, with each line of text on a separate dark rectangular background.

I think you're a better man than
you think you are." But what I
meant was, maybe you're a better
man than I think you are.

Building a Better Man William Seymour, Ramel Smith, Héctor Torres, 2014-06-27 Building a Better Man presents a theory and science based discussion of masculinity in modern America but it also does much more than that it interweaves a diverse group of compelling personal stories with an exploration of aggression and masculinity in the socialization of boys and men Where other programs tend to subtly denigrate men as perpetrators and focus on stopping the problematic behavior Building a Better Man tries to understand the external forces that impinge on the developmental experiences of boys men and broadens the scope of inquiry into their behavior by reviewing a range of external societal forces that contribute to the problems Clinicians and group leaders will find that the approach laid out in Building a Better Man leaves clients feeling understood more than judged which provides a different motivation for change and can set treatment on an entirely different and infinitely more productive path

William Faulkner in Hollywood Stefan Solomon, 2017-08 During more than two decades 1932 1954 William Faulkner worked on approximately fifty screenplays for studios including MGM 20th Century Fox and Warner Bros and was credited on such classic films as *The Big Sleep* and *To Have and Have Not* The scripts that Faulkner wrote for film and later on

television constitute an extensive and until now thoroughly underexplored archival source Stefan Solomon not only analyzes the majority of these scripts but compares them to the novels and short stories Faulkner was writing at the same time Solomon's aim is to reconcile two aspects of a career that were not as distinct as they first might seem Faulkner as a screenwriter and Faulkner as a high modernist Nobel Prize winning author Faulkner's Hollywood sojourns took place during a period roughly bounded by the publication of *Light in August* 1932 and *A Fable* 1954 and that also saw the publication of *Absalom Absalom* *Go Down Moses* and *Intruder in the Dust* As Solomon shows Faulkner attuning himself to the idiosyncrasies of the screenwriting process a craft he never favored or admired he offers insights into Faulkner's compositional practice thematic preoccupations and understanding of both classic cinema and the emerging medium of television In the midst of this complex exchange of media and genres much of Faulkner's fiction of the 1930s and 1940s was directly influenced by his protracted engagement with the film industry Solomon helps us to see a corpus integrating two vastly different modes of writing and a restless author sensitive to the different demands of each Faulkner was never simply the southern novelist or the West Coast hack writer but always both at once Solomon's study shows that Faulkner's screenplays are crucial in any consideration of his far more esteemed fiction and that the two forms of writing are more porous and intertwined than the author himself would have us believe Here is a major American writer seen in a remarkably new way
