A Boy Thirteen Reflections On Death:

A Boy Thirteen Jerry A. Irish,1975 The Fall and Sin Marguerite Shuster,2004 The devastating evils of recent history have brought about renewed interest in the Christian doctrine of sin This volume explores with fresh insight and great seriousness the contemporary plausibility meaning and relevance of the biblical understanding of the Fall and its effects Marguerite Shuster argues that certain aspects of the traditional doctrine of the Fall including the belief that it took place in time and space cannot simply be set aside without serious consequences for our doctrine of God and our understanding of human identity dignity and responsibility She explores the nature and extent of sin and examines such problematic issues as degrees of sin and culpability Despite the seriousness with which Shuster treats these topics her discussion is not despairing but instead points to the redemption that God has accomplished in Christ Filled with contemporary allusions and completed with model sermons on the Fall and sin this volume is one of the best available studies of this key Christian doctrine *Is God Still at the Bedside?* Abigail Rian Evans,2011 *Is God Still at the Bedside* by Abigail Rian Evans offers an expert interdisciplinary Christian perspective on the complex web of issues surrounding death and dying Evans here combines first person stories and interviews with research gathered from the medical theological legal ethical and pastoral disciplines Her comprehensive insightful work will not only benefit families struggling with difficult end of life decisions but also inform the doctors nurses and pastors who serve them Publisher **A Liturgy of Grief** Leslie C. Allen,2011-09 In this commentary on Lamentations a respected Old Testament scholar and volunteer hospital chaplain presents a biblical model for helping those coping with grief *Living As If* William R. Miller,2020-07-10 What is faith William R Miller answers It is a way of looking at the world at other people and at ourselves It is a vision not given so much as chosen It is that by which we understand our past live in the present and create our future It is Living as If even and especially when we are not sure and in so doing releasing a power that can transform ourselves and those we touch Miller s fresh understanding of the meaning of faith Living as If and how it works can lead to a new approach to life and the fashioning of a more positive and hope filled future In this book he takes into account pertinent psychological findings case histories personal stories and profound religious thought As he explores the role of as if processes he looks at self concept change influence on others healing religious belief and social change Writing sensitively and sensibly Miller sets an undeniably optimistic tone emphasizing that within certain limits each person can design a course for the present and future as well **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 The Publishers Weekly ,1978 *Death and Dying* John F. Szabo,2009-11-02 While it can be traced to the 1700s the term thanatology has gained traction in recent decades to refer to the study of death Because of the breadth of the published material and the challenges of discovery in large bibliographic databases and catalogs finding and identifying monographic material on death dying grief and bereavement can be extremely challenging Although there have been several bibliographical resources published on thanatology those titles were incomplete limited in

scope or leaned heavily toward one area of the field In *Death and Dying An Annotated Bibliography of the Thanatological Literature* John F Szabo provides more than 2 200 citations of monographs on the science and study of death and dying Among the areas this volume addresses are the psychological philosophical and attitudinal aspects coping and dealing with the burdens of caregiving and working in the helping professions instructional and educational topics for practitioners primarily health care providers cultural differences in bereavement rituals and grief mourning and loss In addition notable titles on or relating to death and dying in popular culture death themes in literature methods of death or specific ethical policy or public issues are also included when they contribute important information to subject areas on which the book focuses This book will be helpful to students researchers academics caregivers health care professionals psychologists social workers and anyone with an interest in death dying bereavement or the care of the terminally ill Helping Children Cope with Death Hannelore Wass, Charles A.
