A Cab At The Door An Autobiography Early Years:

A Cab at the Door Victor Sawdon Pritchett, 1968 The title of his first memoir A CAB AT THE DOOR refers to the many times as a boy that he was awakened to find a cabby and his horse coughing together outside the house and the next thing we knew we were driving to an underground station and to a new house in a new part of London to the smell of new paint and new mice dirt Given the vicissitudes of his father's business endeavors and his efforts to dodge his creditors by the time Pritchett was twelve the family had had eighteen different addresses Pritchett started school in industrial South London at the age of eight and at fifteen he left school to work in the leather trade His four years with the leather factors essentially coincided with World War I and the bombing of London by Zeppelins After Pritchett recovered from an extended illness first brought on by influenza he resolved to escape the constant family upheaval and pursue his destiny in Paris

A Cab at the Door Victor Sawdon Pritchett, 1968 **A Cab at the Door** V. S. Pritchett, 1970 *The Cambridge Companion to English Literature, 1830-1914* Joanne Shattock, 2010-01-28 The nineteenth century witnessed unprecedented expansion in the reading public and an explosive growth in the number of books and newspapers produced to meet its demands These specially commissioned essays examine not only the full range and variety of texts that entertained and informed the Victorians but also the boundaries of Victorian literature the links and overlap with Romanticism in the 1830s and the roots of modernism in the years leading up to the First World War The Companion demonstrates how science medicine and theology influenced creative writing and emphasizes the importance of the visual in painting book illustration and in technological innovations from the kaleidoscope to the cinema Essays also chart the complex and fruitful interchanges with writers in America Europe and the Empire highlighting the geographical expansion of literature in English This Companion brings together the most important aspects of this prolific and popular period of English literature **The New York Public Library Literature Companion** Staff of The New York Public Library, 2001-11-06 Pick up The New York Public Library Literature Companion to check the dates of Marcel Proust's Remembrance of Things Past or to find out how James Joyce's Ulysses changed U.S. obscenity laws and you may find yourself hours later absorbed in the imaginary worlds of Camelot and The Matrix or sidetracked by the fascinating history of The New Yorker Designed to satisfy the curious browser as well as the serious researcher this exciting new resource offers the most up to date information on literature available in English from around the world from the invention of writing to the age of the computer Interwoven throughout the more than 2,500 succinct and insightful entries on Creators Works of Literature and Literary Facts and Resources are the fascinating facts and quirky biographical details that make literature come alive Readers will discover for instance that Walt Whitman was fired from his government job after his personal copy of Leaves of Grass was discovered in his desk by the Secretary of the Interior who was scandalized by it that James Baldwin remembered listening to blues singer Bessie Smith playing her till he fell asleep when he was writing his first book and that a publisher turned down the serialization rights to Gone with the Wind

James Hammerton, 2002-09-11 Cruelty and Companionship is an account of the intimate but darker sides of marriage in Victorian and Edwardian England Hammerton draws upon previously unpublished material from the records of the divorce court and magistrates courts to challenge many popular views about changing family patterns His findings open a rare window onto the sexual politics of everyday life and the routine tensions which conditioned marriage in middle and working class families Using contemporary evidence ranging from prescriptive texts and public debate to autobiography and fiction Hammerton examines the intense public scrutiny which accompanied the routine exposure of marital breakdown and charts a growing critique of men s behaviour in marriage which increasingly demanded regulation and reform The critical discourse which resulted ranging from paternalist to feminist casts new light on the origins and trajectory of nineteenth century feminism legal change and our understanding of the changing expression of masculinity *Common Reading* Stefan Collini, 2008 In this series of penetrating and attractively readable essays Stefan Collini explores aspects of the literary and intellectual culture of Britain from the early twentieth century to the present Collini focuses on critics and historians who wrote for a non specialist readership and on the periodicals and other genres through which they attempted to reach that readership Among the critics discussed are Cyril Connolly V S Pritchett Aldous Huxley Rebecca West Edmund Wilson and George Orwell while the historians include A L Rowse Arthur Bryant E H Carr and E P Thompson There are also essays on wider themes such as the

fate of general periodicals the history of reading the role of criticism changing conceptions of culture the limitations of biography and the functions of universities Explicitly addressed to the non specialist reader these essays make some of the fruits of detailed scholarly research in various fields available to a wider audience in a succinct and elegant manner Stefan Collini has been acclaimed as one of the most brilliant essayists of our time and this collection shows him at his subtle perceptive and trenchant best The book will appeal to and delight readers interested in literature history and contemporary cultural debate

Bread Winner Emma Griffin,2020-04-14 The overlooked story of how ordinary women and their husbands managed financially in the Victorian era and why so many struggled despite increasing national prosperityNineteenth century Britain saw remarkable economic growth and a rise in real wages But not everyone shared in the nation s wealth Unable to earn a sufficient income themselves working class women were reliant on the breadwinner wage of their husbands When income failed or was denied or squandered by errant men families could be plunged into desperate poverty from which there was no escape Emma Griffin unlocks the homes of Victorian England to examine the lives and finances of the people who lived there Drawing on over 600 working class autobiographies including more than 200 written by women Bread Winner changes our understanding of daily life in Victorian Britain

The Gifted Child in Peer Group Perspective Barry H. Schneider,2012-12-06 An Applied Psychologist s Initiation to the Study of Gifted Children My interest in the subject matter of this book the peer relations of gifted children intensified enormously as result of my involvement with one gifted child during my days as a school psychologist At that time I served a number of schools in a prosperous suburb I spent most of my time working with children with behavioral and learning disorders I received very few requests to assist gifted youngsters and their teachers perhaps because at that point I was not very sensitive to their needs One autumn I was involved in something from which I derived a great deal of satisfaction helping the teachers of a very advanced retarded boy with Down s syndrome maintain himself in a regular first grade class In retrospect the achievements of this student Jeff would have justified my calling him exceptionally bright given the limits of his endowment I was interrupted from my observation of Jeff s success in class by a phone call from another school one to which I had not previously been summoned I was asked to discuss the case of an intellectually gifted child who was bored moody difficult and disliked by those around him

Liberty over London Bridge Margaret Willes,2024-02-13 The first complete

history of Southwark London's stubbornly independent community over the Thames Southwark's fortunes have always been tied to those of the City of London across the river But from its founding in Roman times through to flourishing in the medieval era the Borough has always fiercely asserted its independence A place of licence largely free of the City's jurisdiction Southwark became a constant thorn in London's side an administrative anachronism a commercial rival and an asylum for undesirable industries and residents In this remarkable history of London's liberty beyond the bridge Margaret Willes narrates the life and times of the people of Southwark capturing the Borough's anarchic spirit of revelry Populated by a potent mix of talented immigrants religious dissenters theatrical folk brewers and sex workers Southwark often escaped urban jurisdiction giving it an atmosphere of danger misrule and artistic freedom Tracing Southwark's history from its Roman foundation to its present popularity as a place to visit through Chaucer to Shakespeare and on to Dickens Willes offers an indispensable exploration of the City's unacknowledged mirror image

Building Types and Built Forms Philip Steadman, 2014-02-28 Building Types and Built Forms weaves two books together in alternating chapters one about the history of building types the other about their geometry The first book follows the histories of some common types of building houses hospitals schools offices and prisons Examples are drawn from the 19th and early 20th centuries in France America and Britain with the central focus on London They include the pavilion hospitals associated with the name of Florence Nightingale English Board and Modernist schools of the 1920s and 30s tall office buildings in Chicago and New York Jeremy Bentham's Panopticon penitentiary and radial prisons on the model of Cherry Hill and Pentonville The second book takes these histories and uses them to explore how the forms of these buildings are constrained by some of the basic functions of architecture to provide daylight and ventilation to the interior to provide access to all rooms or to allow occupants to see from one part of a building to another A new way of thinking about these worlds of

geometrical possibility is introduced in which the forms of many buildings can be catalogued and laid out systematically in morphospaces or theoretical spaces of forms As building types change over time they come to occupy different positions within the worlds of possible forms Building Types and Built Forms is filled with over 400 illustrations many drawn especially for the book It offers a new theoretical approach combined with a series of historical accounts of building types some well known some less familiar It should appeal to academics practitioners historians and students of architecture **British Book News** ,1968 **Reminiscences of Childhood** Richard N. Coe,1984 **London in the Twentieth Century** Jerry White,2016-10-06 Jerry White s London in the Twentieth Century Winner of the Wolfson Prize is a masterful account of the city s most tumultuous century by its leading expert In 1901 no other city matched London in size wealth and grandeur Yet it was also a city where poverty and disease were rife For its inhabitants such contradictions and diversity were the defining experience of the next century of dazzling change In the worlds of work and popular culture politics and crime through war immigration and sexual revolution Jerry White s richly detailed and captivating history shows how the city shaped their lives and how it in turn was shaped by them The British Library General Catalogue of Printed Books to 1975 British Library,1984 **Catalog of Copyright Entries.
