A Camera In The Garden:

A Camera in the Garden of Eden Kevin Coleman, 2016-02-23 In the early twentieth century the Boston based United Fruit Company controlled the production distribution and marketing of bananas the most widely consumed fresh fruit in North America So great was the company's power that it challenged the sovereignty of the Latin American and Caribbean countries in which it operated giving rise to the notion of company dominated banana republics In *A Camera in the Garden of Eden* Kevin Coleman argues that the banana republic was an imperial constellation of images and practices that was checked and contested by ordinary Central Americans Drawing on a trove of images from four enormous visual archives and a wealth of internal company memos literary works immigration records and declassified US government telegrams Coleman explores how banana plantation workers women and peasants used photography to forge new ways of being while also visually asserting their rights as citizens He tells a dramatic story of the founding of the Honduran town of El Progreso where the United Fruit Company had one of its main divisional offices the rise of the company now known as Chiquita and a sixty nine day strike in which banana workers declared their independence from neocolonial domination In telling this story Coleman develops a new set of conceptual tools and methods for using images to open up fresh understandings of the past offering a model that is applicable far beyond this pathfinding study

The Unearthing of Mr. Diggins Dave Lauby, 2023-04-14 Travis Riggins is living the American dream He has a sexy wife a sexier truck and a beautiful home set upon a spread of suburban loveliness and he's obsessed with protecting both it and his sense of invulnerability against an adversarial world Yet despite his security cameras and iron gates an intruder manages to breach his defenses not from without but from below while digging in his garden Travis shovel makes a chilling find the likes of which he dares not share with the world It's a discovery which proves but the first of many for Travis one that launches a series of unearthings which will not be limited to what's buried beneath his feet Employing equal measures of psychological thriller historical mystery and social commentary *The Unearthing Of Mr Diggins* breaks through the sculpted facade of Travis bucolic paradise and explores the secret gardens of the mind where preconceived notions of race religion and our most cherished values are challenged and reexamined Blending elements of humor and horror Mr Diggins plunges deep into the murky corners of one man's unexamined life exposing his secrets to the open air while forcing the reader to stare into its unforgiving mirror From its first unsettling discovery to its shocking conclusion *The Unearthing Of Mr Diggins* throws its shovel blade against the big questions revealing our hidden selves and the destructive weeds which infest our psycho emotional Edens Prepare to find what's buried in the dirt and in the deeper soil of the heart

Sebastiano Serlio on Architecture: Books VI-VII of 'Tutte l'opere d'architettura et prospetiva' with 'Castrametation of the Romans' and 'The Extraordinary book of doors' Sebastiano Serlio, 1996-01-01 Sebastiano Serlio was the most important

architectural writer and theorist of the sixteenth century The author of the first wide ranging illustrated book on architecture he produced a complete set of model designs as well as practical solutions for everyday design problems This volume the second in a two volume series of Serlio s entire works presents the previously unpublished sixth book the seventh book and as well as The Extraordinary Book of Doors his little known Castrametation of the Romans each of which demonstrates Serlio s sophisticated design theories This is the first translation of Serlio s later works and the first time that the long lost sixth volume has been united with its companion works and restored to its intended position The book also includes an introduction and notes by translators Vaughan Hart and Peter Hicks that demonstrate Serlio s significance within the history of architecture and the importance of these neglected texts to our understanding of Serlio s work **From the Garden to**
