Allison Deutsch, 2021-02-01 In *Consuming Painting* Allison Deutsch challenges the pervasive view that Impressionism was above all about visual experience Focusing on the language of food and consumption as they were used by such prominent critics as Baudelaire and Zola she writes new histories for familiar works by Manet Monet Caillebotte and Pissarro and creates fresh possibilities for experiencing and interpreting them Examining the culinary metaphors that the most influential critics used to express their attraction or disgust toward painting Deutsch rethinks French modern life painting in relation to the visceral reactions that these works evoked in their earliest publics Writers posed viewing as analogous to ingestion and used comparisons to food to describe the appearance of paint and the painter's process The food metaphors they chose were aligned with specific female types such as red meat for sexualized female flesh confections for fashionably made up women and hearty vegetables for agricultural laborers These culinary figures of speech Deutsch argues provide important insights into both the fabrication of the feminine and the construction of masculinity in nineteenth century France *Consuming Painting* exposes the social politics at stake in the deeply gendered metaphors of sense and sensation Original and convincing *Consuming Painting* upends traditional narratives of the sensory reception of modern painting This trailblazing book is essential reading for specialists in nineteenth century art and criticism gender studies and modernism *Painting and*

Drawing Children John Norton,2001-01-01 In this comprehensive beautifully illustrated guide one of the great children s portraiture covers every aspect of painting and drawing children He starts by showing how children s anatomy differs from that of adults and telling how to get to know the child 59 black and white and 40 color illustrations **The Magazine of Art** ,1897

Pink Michel Pastoureau,2025-02-11 From the acclaimed author of *Blue* and other color histories the beautifully illustrated story of pink from the first ancient pigments to Barbie Pink has such powerful associations today that it s hard to imagine the color could ever have meant anything different But it s only since the introduction of the Barbie doll in 1959 that pink has become decisively feminized Indeed in the eighteenth century pink was frequently masculine and the color has signified many things beyond gender over the course of its long history from the prim to the vulgar and from the romantic to the eccentric In this richly illustrated book Michel Pastoureau a celebrated authority on the history of colors presents a fascinating visual social and cultural history of pink in the West from antiquity to today Pink pigments first appear in ancient Macedonian paintings but it was not until the eighteenth century that vivid saturated pinks were developed for dyeing and painting At the same time a popular new flower the pink rose finally gave the color a standard name and pink assuming a place in everyday life began to acquire its own symbolism distinct from that of red yellow or white Bringing the story up to the twentieth and twenty first centuries Pink describes how the color both adored and detested became associated with many other things from softness and pleasure to nudity and sex Illustrated throughout with a wealth of captivating images Pink is an entertaining and enlightening account of the evolving role and significance of the color in art fashion literature religion science and everyday life across the millennia **Nathan C.S. Luis**,2024-04-06
