Family Guide to Celebration of the Jewish Holidays

Linda Chesler, Leonard Chesler, 2012-03-14 We always tried to celebrate the Jewish Holidays as a family Starting when our children were young it soon became apparent to us that it was much better and much more meaningful if as part of our celebration we discussed each holiday with each other talking about why the holiday is celebrated its origin and history how it is celebrated and very importantly its meaning relevance and value to us today and what we can learn and use in our everyday lives We wanted the children to feel and understand that the holidays were important for them and each holiday had meaning and value for them and should be celebrated by them for its own sake not just because they wanted to please their parents and grandparents Over time we wrote up these discussions and added information for each holiday for our family use At the urging of many family members and friends who have since seen and liked this material we would now like to share it and make it available with this book for others to use In the book emphasis is placed on purpose meaning value joy and inspiration for each holiday and our daily lives We feel confident that the reader will find this material as valuable and useful as we have for helping to celebrate and getting the most out of the Jewish Holidays

The Christian Holy Days: The Biblical Account of Christmas, Passion Week, Easter, Ascension, and Pentecost Larry D.

professing Christians should know understand and apply to their lives Major emphasis is given to the Incarnation Passion week and the Resurrection Additional comments are made on the forty post resurrection days the Ascension and Pentecost In addition the author is a physician who provides an analysis of the medical aspects of the crucifixion and other relevant medical issues Biblical Feasts Sarah Winbow,2015-07-20 Biblical Feasts takes a fresh look at all the biblical feasts This is done from the perspective of reconnecting Gentile believers with the Hebraic roots of our faith what the feasts are for and why they were put in place We also learn of the overarching theme of the Jewish wedding and feast by feast trace the Bridegroom Messiah Jesus in them Finally we consider the prophetic meaning of the feasts for us today and what Father God might be saying to us His bride through them A Kosher Christmas Joshua Eli Plaut,2012-10-24 Christmas is not everybody s favorite holiday Historically Jews in America whether participating in or refraining from recognizing Christmas have devised a multitude of unique strategies to respond to the holiday season Their response is a mixed one do we participate try to ignore the holiday entirely or create our own traditions and make the season an enjoyable time This book the first on the subject of Jews and Christmas in the United States portrays how Jews are shaping the public and private character of Christmas by transforming December into a joyous holiday season belonging to all Americans Creative and innovative in approaching the holiday season these responses range from composing America s most beloved Christmas songs transforming Hanukkah into the Jewish Christmas creating a national Jewish tradition of patronizing Chinese restaurants and comedy shows on Christmas Eve volunteering at shelters and soup kitchens on Christmas Day dressing up as Santa Claus to spread good cheer campaigning to institute Hanukkah postal stamps and blending holiday traditions into an interfaith hybrid celebration called Chrismukkah or creating a secularized holiday such as Festivus Through these venerated traditions and alternative Christmastime rituals Jews publicly assert and proudly proclaim their Jewish and American identities to fashion a universally shared message of joy and hope for the holiday season See also <http://www.akosherchristmas.org> Celebrating The Feasts of Israel Werner Sonderegger,2019-08-26 This unique book captures God s plan for the Feasts of Israel with their Biblical history rich traditions and triumphant fulfillment in Christ It will open your eyes to see how relevant these Feasts are to your everyday Christian life and will serve as a powerful tool to pass your faith in Jesus Christ to the next generation Interwoven throughout this book you find testimonies songs christian theology topics of discipleship and suggestions of a Christ centered celebration of these Feasts in your own family The richness and personal nature of these Feasts is waiting to be unfolded in the story of Jesus Christ throughout the Bible Be ready to discover God s great plan for you your family and this world as it is portrayed in this second expanded edition of Celebrating the Feasts of Israel **The Many Faces of Judaism** Lemuel Baker Phd,2012-02-29 Over the past 10 years there has been a keen interest in Jewish Studies as it relates to Christianity and I wanted to help bring authentic information regarding Judaism to several audiences that will bring each from a near ideologue to ideologues As I traveled I noticed some people were familiar with terms from

Judaism but did not know the meaning of the terms traditions or protocols I hope to lay a foundation of Judaism with Christians media professionals and those who serve politically There are several compelling reasons to present Judaism to an audience that are interested in the Jewish roots of the Christian Bible There is an apologetic perspective whereby many Christians have nagging questions about the Bible and even frustrated regarding where to find the actual answers This book provides many of those answers God requires all Christians to have understanding about Christianity and the belief system they adhere to The answers to Judaism as it pertains to our Old and New Testament are not obvious and require a command of Judaism to include the Tanakh and the Talmud that provide answers and explanations of what the Old and New Testaments are really saying Any person who reads this 179 page book will have a command of Judaism and how it relates to Christianity that is above average and will also have an authentic perspective not a romantic perspective Christianity without realizing it can push Jews far from them especially Orthodox Jews because we do not understand their scheme of thinking and how esoteric their beliefs are To connect with Jews one must understand how they think and find the wisdom regarding their beliefs and values The book is powerful and will provide insight as to Israel and their *raison d'être* or the purpose that justifies a things existence Israel was designed to be a leadership nation to the entire world and is still in birth pains with regards to this God ascribed objective To give you a hint to some of the conclusions I will share this much with you God has given every people group a purpose in relationship to the entire world to make a unique contribution The ancient Phoenicians contributed mathematics for example that benefited the entire planet The Greeks contributed literature that are still beloved writings of antiquity for the entire planet to enjoy Israel is the only nation and people group given the two fold objective to receive the law directly from God and secondly to disseminate Gods law to the entire planet These laws are the only laws that could keep the planet sound and congruent to Gods system and His way of doing things In the midst of this two fold purpose God chose Israel to bring forth our Messiah Only Israel was set aside to bring forth Messiah who would save the entire world If it werent for Judaism there would be no Christianity The Christian Old Testament is translated verbatim from the Tanakh or the Jewish Bible in a different sequence but the books are the same I have given you much from the book already but there is a lot more so enjoy the book and may God answer many of your questions

Judaism some nuances geo political issues and foreign policy issues facing Israel This book is also designed to help western societies understand Judaism so that adequate foreign policy can be created when addressing Israel as a nation

Holiness and Ecclesiology in the New Testament Kent Brower, Andy Johnson, 2007-10-26 Throughout the biblical story the people of God are expected to embody God's holy character publicly Therefore holiness is a theological and ecclesial issue prior to being a matter of individual piety Holiness and Ecclesiology in the New Testament offers serious engagement with a variety of New Testament and Qumran documents in order to stimulate churches to imagine anew what it might mean to be a publicly identifiable people who embody God's very character in their particular social setting Contributors J Ayodeji Adewuya Paul M Bassett Richard Bauckham George J Brooke Kent E Brower Dean Flemming Michael J Gorman Joel B Green Donald A Hagner Andy Johnson George Lyons I Howard Marshall Troy W Martin Peter Oakes Ruth Anne Reese Dwight Swanson Gordon J Thomas Richard P Thompson J Ross Wagner Robert W Wall Bruce W Winter

Israeli Judaism Å elomo A. DeÅien, Charles Seymour Liebman, Moshe Shokeid, 1995-01-01 This is an unusual and extremely timely collective effort It appears at a moment in which Israelis not only must confront their Arab neighbors but must deal with one another as Jews possessing radically different views on the present and future of the Jewish tradition With this seventh volume of the series the Israeli Sociological Society has turned its attention to religion an area that for many years has been of high importance but low profile in Israeli affairs and in the wider Middle Eastern context Chapters and contributors include Jewish Civilization Approaches to Problems of Israeli Society by Shmuel N Eisenstadt Life Tradition and Book Tradition in the Development of Ultraorthodox Judaism by Menachem Friedman Religious Kibbutzim Judaism and Modernization by Aryei Fishman The Religion of Elderly Oriental Jewish Women by Susan Sered and Hanukkah and the Myth of the Maccabees in Ideology and in Society by Eliezer Don Yehiya The increasing presence of religious activism in contemporary Israel side by side with subtle changes in the religion of Israeli Sephardim makes the topic of religion essential for an understanding of Israel and much of the Middle East generally Israeli Judaism is a significant work and will be of interest to theologians philosophers sociologists anthropologists and political theorists

Making Our Way to Shore Eileen O'Farrell, 2004 Since 1991 members of the Jewish Catholic Couples Dialogue Group in Chicago have celebrated a combination Hebrew Baby Naming and Baptism ceremony as they welcome their children into the world with the support and participation of a Catholic Priest and Reform Rabbi These ceremonies are spiritual moments created in the spirit of finding new pathways for interfaith families to share in their religious traditions For some couples their ceremony makes a statement about the religious identity of their child either in one tradition or another For others it is an expression of thanks to God for new life and the wish to ask for God's blessing on their family In either case the celebration is an authentic manifestation of a Divine presence in their new family In addition to the ceremony this text includes an overview of the current literature regarding Catholic Jewish families a review of Hebrew Rites of Initiation as well as a short course on Catholic sacramentality and Baptism commonly asked questions and

answers facing Catholic Jewish couples a lively conversation between a Rabbi and a Priest regarding rites of initiation a resource section of books and websites and a closing chapter on topics of family faith formation
