Should Christians Prosper? James H. Hooks,2012-12-29 Prosperity is guaranteed by God Himself revealed through His Word Most Christians believe that God wants them to prosper and rightly so This is because in the Bible God tells us He not only wants us to prosper but also that He plans for us to prosper Yet prosperity has eluded so many not because of lack of desire but because of lack of understanding In search of this dilemma they look for Scriptures to guide them They find that the answer is not found in one topic or one scripture but scattered throughout the Bible in over 1 500 Scriptures dealing directly with the subject There are approximately 1 000 more dealing indirectly with prosperity in some form My research has taken me through all of those Scriptures and put together an understanding that is easy to follow from one chapter to another revealing in Scripture in such a way that answers any question you may be facing in your own life that may be preventing you from achieving true prosperity There are many misconceptions and teachings on the prosperity doctrine that miss the mark and turn off many believers and nonbelievers alike This book reveals the false teachings of prosperity and how to detect the difference at a glance No matter where you are in your Christian walk there is something here for you Remember it is what you learn after you know it all that makes the biggest difference in your life If you do not consider yourself a Christian dont let that deter you from reading this book After reading this book you may just want to become one Dont waste another minute We know that God never lies God never fails and God truly wants you to prosper Suggested Reading Trust God for Your Finances by Jack Hartman The Generosity Factor by Ken J Blanchard and S Truett Cathy The Blessed Life by Robert Morris **God, Harlem U.S.A.** Jill Watts,1992-01-10 How did an African American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God Harlem U S A Using hitherto unknown materials Jill Watts portrays the life and career of one of the twentieth century s most intriguing religious leaders Father Divine Starting as an itinerant preacher Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world As his ministry grew so did the controversy surrounding his enormous wealth flamboyant style and committed angels black and white rich and poor alike Here for the first time a full account of Father Divine s childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South While earlier biographers have concentrated on Father Divine s social and economic programs Watts focuses on his theology which gives new meaning to secular activities that often appeared contradictory Although much has been written about Father Divine God Harlem U S A finally provides a balanced and intimate account of his life s work *The Complete Works of Richard Sibbes, D.D.: A Christian's portion; or, the Christian's charter* Richard Sibbes,1863
