Sperm, Wonderful Sperm! Alan Smithie, 2009-07-01 I remember a report some time ago extolling the health benefits of the vitamins found in sperm with the advice that in preparation for having a healthy and intelligent baby for some months before becoming pregnant a woman should swallow her partner s sperm You can rest assured this report was compiled by a team of men This has nothing whatsoever to do with the fact I set out to write a book entitled 49 a humorously light hearted fly on the wall look at my life from the day before my forty ninth birthday to the day I hit fifty A story of how I was coping with being too old for a mid life crisis counting the days tick down until the inevitable half century Should I be wearing socks with sandals when would I start to enjoy pastimes that involved either binoculars a fishing rod making boats out of used matchsticks a tandem bicycle or Morris dancing Was I developing man breasts and more importantly would the next woman I meet have bingo wings What pre fifty pastimes would I be consigning to the dusty bin of life wearing Ramones T shirts and ogling young girls my T shirt definitely had to go Maybe I wouldn t even make it to the end of the book instead I d meet my end running the Snowdonia Marathon As it was I did make it to the end Having spent a year writing 49 and many months trying to get a publishing deal without success I started to write a blog I pretty soon realised the missing ingredient sex sex sells Post a good title and you have a success mention anal sex and you have a best seller Without a second thought I

changed the book title to Sperm Wonderful Sperm and quickly contacted an online print on demand publisher This is the result , **The Mexican Peso Bailout** United States. Congress. House. How to Be Sectioned Zekria Ibrahimi,2011-06-01 DescriptionLet us be as unrepentantly weird as possible about this play We do not want to be respectable and precise Schizophrenia is not a neat thing It is amorphous it is grotesquely psychedelic and this play wants you to participate in schizophrenia at its most macabre all the way to death and beyond We are in the underbelly of society we are where shame and terror intersect we are amidst the predators and the vulnerable This is the story of the System that feeds off the doomed This play hopes that you too will seek to be a part of schizophrenia of what is the other Why stagnate in a complacent sanity Explode into insanity instead About the AuthorZekria Ibrahimi born in 1959 is defined by his schizophrenia It first hit him long ago in his late teens He is fifty years old now grey and frail almost a pensioner with all the aches and injuries of age and he does not always want to remember how as an adolescent in the late 1970 s he suddenly became afraid of everything surrounding him and worst of all of himself He would run around the countryside and knock at the doors of strangers because he feared the apocalypse was pursuing him He would pick up rubbish outside in alleys and streets and hoard it in his not very palatial lodgings He was always wandering away from home searching for what would

never be found again the straight route the level way He was a tramp freezing during the nights in public toilets where he had various unsavoury insects as company on the cold concrete There were years of pain when his schizophrenia became almost his only companion albeit a sadistic one punishing him even as he hugged it Perhaps to echo both R D Laing and Emily Dickinson it is the entire globe it is general society that is truly insane Schizophrenics simply burrow all too deeply under the surface They reach the very core of the savage reality in us all Most varnish over the anarchic truth within through the superficial sham paraded as civilization Schizophrenics prefer to be uncomfortably honest barbarians Eventually after much psychotic shouting on Hammersmith Broadway the hapless Zekria was confined at the Charing Cross unit in the West London Mental Health Trust Following the unsafe unstable freedom of his schizophrenia came the restrictions of Section 3 He would not have survived without the multi racial compassion of the individual doctors and nurses in Charing Cross Yet the overall SYSTEM remains an ogre of rules and restraints and the INSTITUTION of psychiatry can be as cold and vicious as in the days of lobotomy and insulin shock Now he is elderly but still he muses about being locked up drugged up about how with schizophrenia the treatment can be worse than the disease *The Routledge Guide to British Political Archives* Chris

Cook,2012-10-02 This major new reference work provides an authoritative and wide ranging guide to archive sources now becoming available for British political history since 1945 With a user friendly layout the book presents a comprehensive range of 1 500 personal papers from leading statesmen backbench politicians writers campaigners diplomats and generals which cover the key aspects of British history since of the end of the Second World War Compiled by an experienced archivist this comprehensive easy to use and authoritative guide is an invaluable resource for researchers of modern British history

Christmas Pamela E. Klassen,Monique Scheer,2019-06-15 Christmas is not a holiday just for Christians anymore if it ever was Embedded in calendars around the world and long a lucrative merchandising opportunity Christmas enters multicultural multi religious public spaces provoking both festivity and controversy hospitality and hostility The Public Work of Christmas provides a comparative historical and ethnographic perspective on the politics of Christmas in multicultural contexts ranging from a Jewish museum in Berlin to a shopping boulevard in Singapore A seasonal celebration that is at once inclusive and assimilatory Christmas offers a clarifying lens for considering the historical and ongoing intersections of multiculturalism Christianity and the nationalizing and racializing of religion The essays gathered here examine how cathedrals banquets and carols serve as infrastructures of memory that hold up Christmas as a civic yet unavoidably Christian holiday At the same time the authors show how the public work of Christmas depends on cultural forms that mark mask and resist the ongoing power of Christianity in the lives of Christians and non Christians alike Legislated into paid holidays and commodified into

marketplaces Christmas has arguably become more cultural than religious making ever wider both its audience and the pool of workers who make it happen every year The Public Work of Christmas articulates a fresh reading of Christmas as fantasy ethos consumable product site of memory and terrain for the revival of exclusionary visions of nation and whiteness at a time of renewed attention to the fragility of belonging in diverse societies Contributors include Herman Bausinger T bingen Marion Bowman Open Juliane Brauer MPI Berlin Simon Coleman Toronto Yaniv Feller Wesleyan Christian Marchetti T bingen Helen Mo Toronto Katja Rakow Utrecht Sophie Reimers Berlin Tiina Sepp Tartu and Isaac Weiner Ohio State
