History and Material Culture Karen Harvey, 2013-02-01 Sources are the raw material of history but where the written word has traditionally been seen as the principal source today historians are increasingly recognizing the value of sources beyond text In *History and Material Culture* Karen Harvey embarks upon a discussion about material culture considering objects often those found surrounding us in day to day life as sources which can help historians develop new interpretations and new knowledge about the past Across ten chapters different historians look at a variety of material sources from around the globe and across centuries to assess how such sources can be used to study history While the sources are discussed from interdisciplinary perspectives each contributor examines how material culture can be approached from an historical viewpoint and each chapter addresses its theme or approach in a way accessible to readers without expertise in the area In her introduction Karen Harvey discusses some of the key issues raised when historians use material culture and suggests some basic steps for those new to these kinds of sources Opening up the discipline of history to new approaches and introducing those working in other disciplines to historical approaches this book is the ideal introduction to the opportunities and challenges of researching material culture

Bewick Studies David Gardner-Medwin, Bewick Society, 2003 *Nature's Engraver* Jenny Uglow, 2011-03-31 Thomas Bewick wrote *A History of British Birds* at the end of the eighteenth century just as Britain fell in

love with nature This was one of the wildlife books that marked the moment the first field guide for ordinary people illustrated by woodcuts of astonishing accuracy and beauty But it was far more than that for in the vivid vignettes scattered through the book Bewick drew the life of the country people of the North East a world already vanishing under the threat of enclosures In this superbly illustrated biography Jenny Uglow tells the story of the farmer s son from Tyneside who revolutionised wood engraving and influenced book illustration for a century to come It is a story of violent change radical politics lost ways of life and the beauty of the wild a journey to the beginning of our lasting obsession with the natural world Nature s Engraver won the National Arts Writers Award in 2007 Jenny Uglow is the author of among others *A Gambling Man* Charles II and the Restoration which was shortlisted for the 2010 Samuel Johnson Prize Lunar Men and *In These Times* The most perfect historian imaginable Peter Ackroyd **Journal of Glass Studies** ,1988 **Moral Capital** Christopher Leslie Brown,2012-12-01 Revisiting the origins of the British antislavery movement of the late eighteenth century Christopher Leslie Brown challenges prevailing scholarly arguments that locate the roots of abolitionism in economic determinism or bourgeois humanitarianism Brown instead connects the shift from sentiment to action to changing views of empire and nation in Britain at the time particularly the anxieties and dislocations spurred by the American Revolution The debate over the political rights of the North American colonies pushed slavery to the fore Brown argues giving antislavery organizing the moral legitimacy in Britain it had never had before The first emancipation schemes were dependent on efforts to strengthen the role of the imperial state in an era of weakening overseas authority By looking at the initial public contest over slavery Brown connects disparate strands of the British Atlantic world and brings into focus shifting developments in British identity attitudes toward Africa definitions of imperial mission the rise of Anglican evangelicalism and Quaker activism Demonstrating how challenges to the slave system could serve as a mark of virtue rather than evidence of eccentricity Brown shows that the abolitionist movement derived its power from a profound yearning for moral worth in the aftermath of defeat and American independence Thus abolitionism proved to be a cause for the abolitionists themselves as much as for enslaved Africans **Thomas Bewick** Manchester Metropolitan University. Capes,J. Daryl Charles,2011-01-01 This delightfully multifaceted volume comprised of thoughtful essays by an esteemed array of cultural critics probes the intersection of Christian faith and culture to honor the memory of A J Chip Conyers a remarkably ecumenical Christian

scholar and cultural warrior whose premature death in 2004 cut short a remarkable career in teaching and writing. As those who knew him can attest, Conyers lived his life at the intersection of Christian theology and cultural concern with a singular blend of astuteness, gracefulness, and Christian conviction. This festschrift, as esteemed theologian and Conyers's mentor Jürgen Moltmann indicates in the foreword, is intended to mirror Conyers's own commitment to incisive cultural criticism and theological faithfulness in the mold of the great tradition. This is no small achievement even for so venerable a cast of scholars as the contributors to this volume, as Conyers crossed interdisciplinary boundaries in a day of escalating hyper specialization with the greatest of ease. He was comfortable discussing contemporary church life or the christological controversy of the patristic era, Heideggerian hermeneutics or human dignity and the *imago Dei*, faith and the Enlightenment or the fatherhood of God, Catholic substance or Protestant reform. Yet Conyers always did this through the lens of historic Christian orthodoxy. Though he was a most incisive student of culture in a most refreshing way, he steered clear of being co-opted by the currents of culture. Neither retreating into pious devotionism nor opting for the theologically unreflective activism that has become so chic in our post-consensus climate, he embodied a theological perspective that blends responsible cultural engagement with eschatological hope. The reader is sure to encounter the same blend in this festschrift and to come away both challenged and edified toward fulfilling the message and hope of Conyers' life and work to faithfully thrive in Babylon.
