Parish, 2003-03-01 The conviction that the American Civil War left a massive legacy to the country has generally been much clearer than the definition of what that legacy is Did the war as Ulysses S Grant believed bequeath power intelligence and sectional harmony to America or did it as many have argued since sow racial and regional bitterness that has blighted the nation since 1865 What exactly was the legacy of disunion This collection explores that question from a variety of angles showcasing the work of twelve scholars from the United States and the United Kingdom The essays ponder the role of history myth and media in sustaining the memory of the war and its racial implications in the South Abraham Lincoln's legacy and the war's consequences in less studied areas such as civil military relations constitutional and legal history and America's ascent on the international stage By juxtaposing American and non American interpretations this stimulating volume sheds light on aspects of the war's legacy that from a purely American viewpoint are sometimes too close for comfort Perhaps the greatest legacy of the Civil War is its ongoing debate and continuing fascination worldwide **Dungeon Master For Dummies** James Wyatt, Bill Slavicsek, Richard Baker, 2008-11-13 Design your own fantasy D D epic filled with adventurous exploits cloaked characters and mysterious monsters If you're a Dungeons Dragons fan you've surely thought of becoming a Dungeon Master Learning to be a DM isn't as hard as you might think especially if you have Dungeon Master For Dummies tucked into your bag of tricks Whether you've assumed the role of Dungeon Master before or not this illustrated reference can help you run a D D game either online or in person From organizing your first D D game to dealing with difficult players this book covers everything a DM needs to know Written for the newest edition of D D by the experts at Wizards of the Coast the game's creators it shows you how to Run your very first campaign from shaping storylines and writing your own adventures to dealing with unruly players and characters Build challenging encounters make reasonable rulings and manage disagreements Recognize all the common codes tables and
