Diverse Identities D. Jean Clandinin,Janice Huber,Marilyn Huber,M. Shaun Murphy,Anne Murray Orr,Marni Pearce,Pam Steeves,2006-04-18 In a climate of increasing emphasis on testing measurable outcomes competition and efficiency the real lives of children and their teachers are often neglected or are too messy and intricate to legislate and quantify As such curricula are designed without including the very people that compose the identities of schools Here Clandinin takes issue with this tendency bringing together a collection of narratives from seven writers who spent a year in an urban school exploring the experiences and contributions of children families teachers and administrators These stories show us an alternative way of attending to what counts in schools shifting away from the school as a business model towards an idea of schools as places to engage citizenship and to attend to the wholeness of people s lives Articulating the complex ethical dilemmas and issues that face people and schools every day this fascinating study puts school life under the microscope raises new questions about who and what education is for **CHILDREN'S BOOKS - Premium Illustrated Collection:**

The Sunday teachers' treasury, ed. by W.M. Whittemore William Meynell Whittemore,1869 **Al-Mutanabbi Street Starts Here** Beau Beausoleil,Deema Shehabi,2012-08-20 On March 5th 2007 a car bomb was exploded on al Mutanabbi Street in Baghdad More than thirty people were killed and more than one hundred were wounded This locale is the historic center of Baghdad bookselling a winding street filled with bookstores and outdoor book stalls Named after the famed 10th century classical Arab poet al Mutanabbi it has been the heart and soul of the Baghdad literary and intellectual community This anthology begins with a historical introduction to al Mutanabbi Street and includes the writing of Iraqis as well as a wide swath of international poets and writers who were outraged by this attack This book seeks to show where al Mutanabbi Street starts in all of us personally in our communities and in our nations It seeks to show the commonality between this small street in Baghdad and our own cultural centers and why this attack was an attack on us all This anthology sees al Mutanabbi Street as a place for the free exchange of ideas a place that has long offered its sanctuary to the complete spectrum of Iraqi voices This is where the roots of democracy in the best sense of that word took hold many hundreds of years ago This anthology looks toward al Mutanabbi Street as an affirmation of all that we hope for in a more just society
