BRICKLAYING SIMPLIFIED

by DONALD R. BRANN

Building a brick wall or house, applying brick veneer, or laying a walk or terrace, isn't difficult when you know HOW. Since directions explain every step, READ, LEARN then DO. Select a project you need and discover the fun, economy and escape the work provides. Dry paving brick floors, no mortar required, indoors and out, insures hours of complete relaxation. Build a barbecue, decorate with brick walls or dividers, and you'll find bricklaying provides more mental and physical benefits than any other sport or spare-time activity.
