Jews in Russian Literature After the October Revolution Efraim Sicher, 1995-12-07 This work is an innovative and controversial

study of how four famous Jews writing in Russian in the early Soviet period attempted to resolve the conflict between their cultural identity and their place in Revolutionary Russia Babel Mandelstam Pasternak and Ehrenburg struggled in very different ways to form creative selves out of the contradictions of origins outlook and social or ideological pressures Efraim Sicher also explores the broader context of the literature and art of the Jewish avant garde in the years immediately preceding and following the Russian Revolution By comparing literary texts and the visual arts the author reveals unexpected correspondences in the response to political and cultural change This study contributes to our knowledge of an important aspect of modern Russian writing and will be of interest to both Jewish scholars and those concerned with Slavonic studies

*Marxism and Art* Maynard Solomon, 1979 *Marxism and Art* is a book of basic readings in Marxist criticism and aesthetics Maynard Solomon through his selections and critical introductions shows connections between the arts and society between imagination and history and between art and revolution He selects from thirty six authors to reveal the range of opinion from dogma to heresy beginning with excerpts from the works of Marx and Engels that are pertinent to an understanding of Marxist philosophy The book traverses a wide range of subjects from the origins of art to the nature of creativity the aesthetic experience the dialectics of consciousness the psychology of art and the evolution of art forms The sources of art in ritual in the labor process in the play drive and in social conflict are explored *Art Born of the October Revolution* Festival of India, 1987 **Russian Folk Art** Alison Hilton, 1995 *Russian Folk Art* surveys the traditions styles and functions of the

many objects made by Russian peasant artists and artisans Placing the objects within the settings in which folk artists worked the peasant household the village and the local market Alison Hilton discusses the principal media artists employed and the items they produced from dippers and goblets to clothing and window frames Emphasizing the balance between time honored forms and techniques and the creativity of individual artists the book explores how images and designs helped to form a Russian esthetic identity in the 19th and 20th centuries Abundantly illustrated with examples from Russian museums *Russian Folk Art* is a treasure for anyone interested in Russian culture *Revolutionary Dreams* Richard Stites, 1991-11-14 In this study historian Richard Stites offers a vivid portrayal of revolutionary life and the cultural factors myth ritual cult and symbol that sustained it and describes the principal forms of utopian thinking and experimental impulse Analyzing the inevitable clash between the authoritarian elements in the Bolshevik s vision and the libertarian behavior and aspirations of large segments of the population Stites interprets the pathos of utopian fantasy as the key to the emotional force of the Bolshevik revolution which gave way in the early 1930s to bureaucratic state centralism and a theology of Stalinism

*Beyond the Revolution in Russia: Narratives - Concepts - Spaces* Jaromír Mrňka, 2021-09-01 The book sheds light on the preconditions and consequences extending far beyond the event that opened up totally new horizons in 1917 To mark the centennial of the Russian Revolution an international team of both junior and experienced scholars from Austria Belarus Brazil the Czech Republic France Israel Poland Russia and Slovakia brought together contributions from the surprisingly

broad interdisciplinary field of comparative economic conceptual and political history human geography and urbanism literature media studies and political science The book explains the Russian revolution in a complex ambiguity between the event and its immediate consequences medium term social and economic transformations and the long term reconfiguration of the spaces of politics and culture
