Animate(d) Architecture Vahid Vahdat,2024-03-25 At their peak architectural marvels such as the Sagrada Fam lia the Tower of London the Mosque Cathedral of Cordoba and the Eiffel tower had a combined annual visit of almost 16 4 million people The animated icebound castle in Disney s 2019 Frozen had 116 4 million views from one single YouTube trailer in less than 24 hours The spaces of such massively consumed animation have for generations informed the architectural imagination

of people across the globe and from very early in their lives Yet not only have the architectural disciplines remained rather absent in the design of these massively consumed spaces architectural theory has likewise failed to articulate a framework to approach the architecture of animation To address this void this book offers an interdisciplinary approach to survey the role of space in animation including in creating humorous moments in early cartoon shorts generating action and suspense in Japanese anime and even stimulating erotic pleasure in pornographic Hentai Exploring the imagined architecture of animation from early motion picture to digital animation and from computer graphics to game engines offers an analytical frame to reconceptualize space An Open Access version of Yuko Yoshida s chapter Animated Embodiments of Witnessing An Architectural Narrative of Silence is available on the Liverpool University Press website **Library Journal** ,1995-07

Disney Culture John Wills,2017-03-17 Over the past century Disney has grown from a small American animation studio into a multipronged global media giant Today the company s annual revenue exceeds the GDP of over 100 countries and its portfolio has grown to include Pixar Marvel Lucasfilm ABC and ESPN With a company so diversified is it still possible to identify a coherent Disney vision or message *Disney Culture* proposes that there is still a unifying Disney ethos one that can be traced back to the corporate philosophy that Walt Disney himself developed back in the 1920s Yet as cultural historian John Wills demonstrates Disney s values have also adapted to changing social climates At the same time the world of Disney has profoundly shaped how Americans view the world Wills offers a nuanced take on the corporate ideologies running through animated and live action Disney movies from *Frozen* to *Fantasia* from *Mary Poppins* to *Star Wars The Force Awakens* But *Disney Culture* encompasses much more than just movies as it explores the intersections between Disney s business practices and its cultural mythmaking Welcome to the Disney Way
