Posner,2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs *At Home with Pornography* Jane Juffer,1998 Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption South Asian Pornographies Darshana Sreedhar Mini,Anirban K. Thomas, Victoria Charles, 2014-11-24 Different eras and civilisations have treated erotic images with varying acceptance and different concepts of erotica and these tendencies are reflected within the works themselves From ancient statues devoted to fertility to Renaissance engravings designed to encourage procreation within marriage erotic art has always held an important place in society Here for the first time 1 000 authentic images of erotic art have been brought together spanning the centuries and civilisations to demonstrate the evolution of the genre In an era such as ours when eroticism is abundant in advertising and the media this book gives a refreshing insight into the background of erotic imagery highlighting the artistic value of beautiful works of eroticism executed with skill

On Pornography David Saunders, Dugald Williamson, 2016-07-27 The policing of pornography remains a subject of widespread controversy On Pornography provides a history of this policing and an understanding of the current debate The authors show that obscenity law should not be understood negatively as censorship but as part of the positive administration of a particular practice of sexuality This book indicates that obscenity law is not as liberals claim a mistaken attempt to police moral ideas but rather forms part of the legitimate governmental regulation of a problematic social conduct

Porn Star Mark Lamont, 2008-11-26 Porn Star is an engrossing portrait of a man that is credited with being the originator of modern pornography Pietro Aretino 1492 1556 Aretino was the most famous writer of the sixteenth century and considered like his contemporary Niccolò Machiavelli 1469 1527 a literary god in London In fact both writers came to symbolize in the minds of Elizabethans everything devilish about the Italian people devils incarnates as they were called in Shakespeare's day Vastly underrated today as a writer Aretino's time has come and he is a force to be reckoned with Playboy playwright pornographer poet diplomat shrewd man of affairs Aretino typified the Renaissance man of action embodying the mischievous genius of the Italian people An immensely gifted polymath writer with an encyclopedic range of knowledge experience and interests Aretino's deadly poison pen aroused violent antagonism as well

as an idolatrous awe amongst his peers in his lifetime He takes the reader on an unforgettable journey through the Italian Renaissance where we meet many of his illustrious friends the most colorful people of the period crazy kings deviant popes eccentric artists beautiful whores deadly dukes and con men Aretino's outrageous life culminates in an explosive climax that leads to the destruction of the holiest city in the world Rome or as the great religious reformer Martin Luther called it

Hunter, Sharon Lockyer, 2015-12-26 Offering a series of case studies of recent media controversies this collection draws on new perspectives

in cultural studies to consider a wide variety of images The book suggest how we might achieve a more subtle understanding of controversial images and negotiate the difficult terrain of the new media landscape Filthy Material Chris Forster,2019

Modernist literature is inextricable from the history of obscenity The trials of figures like James Joyce D H Lawrence and Radclyffe Hall loom large in accounts twentieth century literature Filthy Material Modernism and The Media of Obscenity reveals the ways that debates about obscenity and literature were shaped by changes in the history of media Judgments about obscenity which hinged on understanding how texts were circulated and read were often proxies for the changing place of literature in an age of new technological media The emergence of film photography and new printing technologies shaped how literary value was understood altering how obscenity was defined and which texts were considered obscene Filthy Material rereads the history of obscenity in order to discover a history of technological media behind debates about moral corruption and sexual explicitness The shift from the intense censorship of the early twentieth century to the effective end of obscenity for literature at the middle of the century it argues is not simply a product of cultural liberalization but of a changing media ecology Filthy Material brings together media theory and archival research to offer a fresh account of modernist obscenity and novel readings of works of modernist literature It sheds new light on figures at the center of modernism s obscenity trials such as Joyce and Lawrence demonstrates the relevance of the discourse obscenity to understanding figures not typically associated with obscenity debates like T S Eliot and Wyndham Lewis and introduces new figures to our account of modernism like Norah James and Jack Kahane It reveals how modernist obscenity reflected a contest over the literary in the face of new media technologies
