Art of Coarse Acting Michael,1964 **Art of Course Acting** Michael Green,1989-02-01 **The Language of Theatre** Martin Harrison,1998 Theatre has provided many words and meanings which we use ignorant of their origins in everyday writing and speech This is the first book to explore 2 000 theatre terms in depth in some cases tracing their history over two and a half millenia in others exploring expressions less than a decade old Terms are defined shown in use and cross referenced in ways which will fascinate theatre goers help theatre students and encourage those engaged in the theatre to examine the familiar from new angles **The Methuen Drama Dictionary of the Theatre** Jonathan Law,2013-10-28 The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre going Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA With biographical information on playwrights actors and directors entries on theatres and theatre companies explanation of technical terms and theatrical genres and synopses of major plays this is an authoritative trustworthy and comprehensive compendium Included are synopses of 500 major plays biographical entries on hundreds of playwrights actors directors and producers definitions of nearly 200 genres and movements entries on over 100 key characters from plays information about more than 250 theatres and companies Unlike similar products The Methuen Drama Dictionary of the Theatre avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC s Top Gear programme and under advice to actors the sage words of Alec Guinness First wipe your nose and check your flies and the equally wise guidance from the master of his art No l Coward Just know your lines and don t bump into the furniture As a companion to everything from the main stage to the fringes of theatrical fact and folklore this will prove an irresistible book to all fans of the theatre *Theatre West Four - So Far as I Can Remember* John Anthony Nicholls,2013-06 It was the best of times it was

the best of times to paraphrase Dickens famous line That was the experience of the few youthful hopefuls who founded an amazing tradition all those years ago It was the experience too of the many who happened upon or sought out Theatre West Four and joined up to become faithful supporters and contributors It became for most of them the centre of their social activity and natural supplier of entertainment the highlight of each week Too strong a statement Read Tony Nicholl s wonderful discourse on the life and times of TW4 and discover more The Final Curtain: The Art of Dying on Stage Laurence Senelick,2022-05-17 It is a book about dying or more accurately about the representation of dying in the theatre Its chief concern is how actors undertook to translate words and concepts into forms legible and significant to an audience It deals with the ways in which playwrights wrote about death and attitudes towards death in their cultures Nevertheless the emphasis is on the practice of acting This death spectacle runs the gamut From the Greek tragic stage which was highly selective in determining which deaths it re enacted to the elaborately stylized murders and suicides in the Kabuki to the lavish blood letting of the Elizabethans to the deathbed visitations of the modern era what was acceptable and or enjoyable fluctuates wildly **The International Authors and Writers Who's who** Ernest Kay,1986 **X Films** Alex Cox,2008-09-01 Filmmaker Alex Cox s thoughtful autobiography examines his craft and influences as well as providing his insights into many of his favorite films Sometimes called a radical Cox is a quintessential auteur as well as an internationally focused insightful critic and writer whose passion for film has gripped him since childhood In addition to being a captivating look into Cox s process this book also encourages and instructs would be independent filmmakers guiding the next generation of film pioneers through the arduous journey of creation Cox weaves his own confessions with his notes to the new guard including thoughts on new forms of digital distribution and his radical views on intellectual property the result is a readable startling treatise on both the film innovations of today and the thrilling potential of future filmmaking **World Encyclopedia of Contemporary Theatre** Irving Brown (Consulting Bibliographer),Natasha Rappaport (Bibliographer),Don Rubin (General Editor),Rosabel Wang (Consulting Bibliographer),2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series The Writers Directory ,2013 On Actors and the Art of Acting George Henry Lewes,1875 **Theatre Symposium, Vol. 18: The Prop's The Thing** J K Curry,2010-10-15 Stage properties are an often ignored aspect of theatrical productions in part because their usage is meant to be seamlessly integrated into the performance instead of a focal point for the audience The contributors illuminate many aspects of this largely ignored yet crucial part of the theatre **Performance Theatre and the Poetics of Failure** Sara Jane Bailes,2011-03-17 What does it mean to fail in performance How might staging failure reveal theatre s potential to expand our understanding of social political and everyday reality What can we learn from performances that expose and then celebrate their ability to fail In Performance Theatre and the Poetics of Failure Sara Jane Bailes begins with Samuel Beckett and considers failure in performance as a

hopeful strategy She examines the work of internationally acclaimed UK and US experimental theatre companies Forced Entertainment Goat Island and Elevator Repair Service addressing accepted narratives about artistic and cultural value in contemporary theatre making Her discussion draws on examples where misfire the accidental and the intentionally amateur challenge our perception of skill and virtuosity in such diverse modes of performance as slapstick and punk Detailed rehearsal and performance analysis are used to engage theory and contextualise practice extending the dialogue between theatre arts live art and postmodern dance The result is a critical account of performance theatre that offers essential reading for practitioners scholars and students of Performance Theatre and Dance Studies
