letters show Clemens bursting with literary ideas business schemes and inventions and they show him erupting with frustration anger and grief but more often with dazzling humor and surprising self revelation In addition to *Roughing It* Clemens wrote some enduringly popular short pieces during this period but he saved some of his best writing for private letters many of which are published here for the first time You ought to see Livy me now a days you never saw such a serenely satisfied couple of doves in all your life I spent Jan 1 2 3 5 there left at 8 last night With my vile temper variable moods it seems an incomprehensible miracle that we
