thoroughly and fairly reviewed Finally the chapters address some of the political issues that challenge CAM These issues include who should be allowed to practice a CAM discipline whose efficacy is not based on the scientific method and some of the state to state variations in practice standards and licensure Patient Heal Thyself Jordan Rubin,2011-02-03 The story of Jordan Rubin's recovery from incurable illness is one of the most dramatic natural healing stories ever told In Patient Heal Thyself Jordan a doctor of naturopathic medicine and founder of Garden of Life the fastest growing nutritional supplement company in America teaches readers how to take control of their own health and unlock the body's healing potential Jordan shows you how by following the Maker's Diet the body will be given the nutritional tools it needs to overcome virtually any health challenge **A-Z of Complementary and Alternative Medicine E-Book** Fiona Mantle,Denise Tiran,2009-06-11
