**Philosophizing the Americas** Jacoby Adeshei Carter, Hernando Arturo Estévez, 2024-04-16 *Philosophizing the Americas* establishes the field of inter American philosophy Bringing together contributors who work in Africana Philosophy Afro Caribbean philosophy Latin American philosophy Afro Latin philosophy decolonial theory and African American philosophy the volume examines the full range of traditions that have separately and in conversation with each other worked through how philosophy in both establishes itself in the Americas and engages with the world from which it emerges The book traces a range of questions from the history of philosophy in the Americas to philosophical questions of race feminism racial eliminativism creolization epistemology coloniality aesthetics and literature The essays place an impressive range of philosophical traditions and figures into dialogue with one another some familiar such as Jos Mart Sylvia Wynter Martin R. Delany Jos Vasconcelos Alain Locke as well as such less familiar thinkers as Arturo Alfonso Schomburg Hilda Hilst and George Lamming In each chapter the contributors find fascinating and productive matrices of tension or convergence in works throughout the Americas The result is an original and important contribution to knowledge that introduces readers from various disciplines to unfamiliar yet compelling ideas and considers familiar texts

from novel and prescient perspectives Philosophizing the Americas stands alone as a representation of current scholarly debates in the field of inter American philosophy **John Edward Bruce** Ralph Crowder,2004-02 John Edward Bruce a premier black journalist from the late 1800 s until his death in 1924 was a vital force in the popularization of African American history Bruce Grit as he was called wrote for such publications as Marcus Garvey s nationalist newspaper The Negro World and McGirt s Magazine Born a slave in Maryland in 1856 Bruce gained his freedom by joining a regiment of Union soldiers passing through on their way to Washington DC Bruce was in contact with major figures in African American history including Henry Highland Garnett and Martin Delany both instrumental in the development of 19th century Black nationalism and the struggle for Black liberation Close relationships with Liberian statesman Edward Wilmot Blyden and with Alexander Crummell a key advocate for the emigration of Blacks to Africa assisted in Bruce s development into a leading African American spokesman In 1911 Arthur Alfonso Schomburg and Bruce co founded the Negro Society for Historical Research which greatly influenced black book collecting and preservation as well as the study of African American themes

**Puerto Rico** Jorell Meléndez-Badillo,2025-06-03 A panoramic history of Puerto Rico from pre Columbian times to today Puerto Rico is a Spanish speaking territory of the United States with a history shaped by conquest and resistance For centuries Puerto Ricans have crafted and negotiated complex ideas about nationhood Jorell Mel ndez Badillo provides a new history of Puerto Rico that gives voice to the archipelago s people while offering a lens through which to understand the political economic and social challenges confronting them today In this masterful work of scholarship Mel ndez Badillo sheds light on the vibrant cultures of the archipelago in the centuries before the arrival of Columbus and captures the full sweep of Puerto Rico s turbulent history in the centuries that followed from the first indigenous insurrection against colonial rule in 1511 led by the powerful chieftain Ag eyban II to the establishment of the Commonwealth in 1952 He deftly portrays the contemporary period and the intertwined though unequal histories of the archipelago and the continental United States Puerto Rico is an engaging sometimes personal and consistently surprising history of colonialism revolt and the creation of a national identity offering new perspectives not only on Puerto Rico and the Caribbean but on the United States and the Atlantic world more broadly Available in Spanish from our partners at Grupo Planeta *Militarism, Imperialism, and Racial Accommodation* Stanford M. Lyman,1992-01-01 1993 Mid South Sociological Association Book Award Robert E Park has long been recognized as one of the most influential thinkers in early American sociology yet virtually all of his works appearing before 1913 were published in popular magazines and were dismissed as nonsociological muckraking In *Militarism Imperialism and Racial Accommodation* An Analysis and Interpretation of the Early Writings of Robert E Park Stanford M Lyman examines and reprints many of these little known works including Park s essays on German military organization his expos s of the atrocities committed by Belgium s Leopold II in the Congo State his studies of the black community in Winston Salem North Carolina and of Booker T Washington s agricultural education program at Tuskegee Alabama Lyman shows

clearly that Park's essays written outside the academy formulated a far more complex perspective on modern modes of evil than any proposed by his contemporaries thereby influencing sociological debates for decades to come. By writing his essays on topical subjects and by publishing them for a public audience, Park dramatized his profound belief that the struggle to achieve racial accommodation and to establish a true and lasting democracy is a concern for all.

**Scattered and Fugitive Things** Laura Helton, 2024-04-16 Winner 2025 Merle Curti Intellectual History Award Organization of American Historians Winner 2024 Arline Custer Memorial Book Award Mid Atlantic Regional Archives Conference Winner 2025 Eliza Atkins Gleason Book Award Library History Round Table of The American Library Association Honorable Mention 2025 Lawrence W. Levine Award Organization of American Historians Honorable Mention 2025 S. USIH Annual Book Prize Society for U.S. Intellectual History Finalist 2025 ASALH Book Prize for Best New Book in African American History and Culture Association for the Study of African American Life and History ASALH. During the first half of the twentieth century, a group of collectors and creators dedicated themselves to documenting the history of African American life. At a time when dominant institutions cast doubt on the value or even the idea of Black history, these bibliophiles, scrapbookers, and librarians created an enduring set of African diasporic archives. In building these institutions and amassing abundant archival material, they also reshaped Black public culture, animating inquiry into the nature and meaning of Black history. *Scattered and Fugitive Things* tells the stories of these Black collectors traveling from the parlors of the urban north to HBCU reading rooms and branch libraries in the Jim Crow south. Laura E. Helton chronicles the work of six key figures: bibliophile Arturo Schomburg, scrapbook maker Alexander Gumby, librarians Virginia Lee and Vivian Harsh, curator Dorothy Porter, and historian L. D. Reddick. Drawing on overlooked sources such as book lists and card catalogs, she reveals the risks collectors took to create Black archives. This book also explores the social life of collecting, highlighting the communities that used these collections from the South Side of Chicago to Roanoke, Virginia. In each case, Helton argues, archiving was alive in the present, a site of intellectual experiment, creative abundance, and political possibility. Offering new ways to understand Black intellectual and literary history, *Scattered and Fugitive Things* reveals Black collecting as a radical critical tradition that reimagines past, present, and future.

*Africana* Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W. E. B. Du Bois first articulated the need for the equivalent of a Black Encyclopedia Britannica, Kwame Anthony Appiah and Henry Louis Gates Jr. realized his vision by publishing *Africana: The Encyclopedia of the African and African American Experience* in 1999. This new, greatly expanded edition of the original work broadens the foundation provided by *Africana*. Including more than one million new words, *Africana* has been completely updated and revised. New entries on African kingdoms have been added. Bibliographies now accompany most articles, and the encyclopedia's coverage of the African diaspora in Latin America and

the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in African itself have an equally strong presence The articles that make up Africana cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs With entries ranging from the African ethnic groups to members of the Congressional Black Caucus Africana Second Edition conveys the history and scope of cultural expression of people of African descent with unprecedented depth

*Other Brahmins, Boston Black Upper Class* (c) Adelaide M. Cromwell, 1994 Adelaide Cromwell's pioneering work explores race and the social caste system in an atypical northern environment over a period of two centuries Based on scholarly sources interviews and questionnaires the study identifies those blacks in Boston who exercised political economic and social leadership from the end of the eighteenth century to the middle of the twentieth The central focus is a comparison of black and white upper class women in the 1940s This rare look at a black social microcosm not located in the South is seminal and timely Because it concludes at a critical period in American history The Other Brahmins paints a colorful backdrop for evaluating subsequent changes in urban sociology and stratification In a groundbreaking study Cromwell effectively challenges the simplistic notions of hierarchy as they pertain to race

**Women and the Historical Enterprise in America: Gender, Race and the Politics of Memory** Julie Des Jardins, 2004-07-21 In *Women and the Historical Enterprise in America* Julie Des Jardins explores American women's participation in the practice of history from the late nineteenth century through the end of World War II a period in which history became professionalized as an increasingly masculine field of scientific inquiry Des Jardins shows how women nevertheless transformed the profession during these years in their roles as writers preservationists educators archivists government workers and social activists Des Jardins explores the work of a wide variety of women historians both professional and amateur popular and scholarly conservative and radical white and nonwhite Although their ability to earn professional credentials and gain research access to official documents was limited by their gender and often by their race these historians addressed important new questions and represented social groups traditionally omitted from the historical record such as workers African Americans Native Americans and religious minorities Assessing the historical contributions of Mary Beard Zora Neale Hurston Angie Debo Mari Sandoz Lucy Salmon Mary McLeod Bethune Dorothy Porter Nellie Neilson and many others Des Jardins argues that women working within the broadest confines of the historical enterprise collectively brought the new

perspectives of social and cultural history to the study of a multifaceted American past In the process they not only developed the field of women s history but also influenced the creation of our national memory in the twentieth century     **The Encyclopedia of New York State** Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State
