Chester A. Arthur John M. Pafford,2019-09-17 Chester Alan Arthur surely our unlikeliest president may have been saved from complete obscurity only by the mutton chop whiskers that stand out among the full bearded visages of late nineteenth century presidents But as this highly readable portrait of Arthur and his age reveals duty s unexpected call turned the quintessential patronage politician into a statesman who skillfully guided America s first steps on the road to becoming a world power No one is likely to follow Arthur s path to the White House again A product of the spoils system that once governed the federal civil service Arthur had been rewarded for his loyalty to the Republican machine with the most lucrative patronage position in the country customs collector of the Port of New York In 1880 having never held elective office he was chosen as James Garfield s running mate in a bid to heal a factional rift in the party When Garfield s death from an assassin s bullet early in his term made Arthur president dismayed observers expected the worst Instead this accidental president rose to an unexpected level of principle and accomplishment and led his country to the threshold of greatness In John Pafford s absorbing study you ll learn Why the wounded President Garfield s incapacity sent Vice President Arthur and the U S government into uncharted constitutional waters Why a president who owed his career to the patronage system championed civil service reform and remade the federal government How Arthur s far sighted determination to rebuild America s shriveled navy changed the course of U S history Why massive immigration from Asia inflamed American politics and how Arthur used his veto power to moderate Congress s response How dramatic developments in the 1880s in theology science economics and political philosophy set the stage for sweeping cultural change in America Only fifteen years after the United States emerged from the rubble of civil war Chester Arthur to all appearances the embodiment of unreformed machine politics emerged from obscurity to lead the nation through one of the most dynamic stretches of its history And though his career was cut short by a fatal disease diagnosed after his first year in office his quiet prudence and devotion to duty earned him the respect of his contemporaries and an honored place among American presidents **Syd Arthur** Ellen Frankel,2011-04-01 Prince Siddhartha raised behind palace walls and showered with every extravagance abandoned his protected life to embark on a spiritual journey He ultimately reached enlightenment and became known as the Buddha which

means one who is awake He then spent his life teaching that all have the potential to awaken Meet Syd Arthur Living in the cloistered world of suburbia Syd is a middle aged Jewish woman who is potentially awake but likes to start her day with a strong cup of coffee just in case Her daughter has just left for college and her diet is once again off track While for most of her life she s been convinced that happiness can be attained by a magic number on the bathroom scale or a really great shopping day at Bloomingdale s she finds herself in the grocery store with an empty cart wondering if there just might be something more When East unexpectedly meets West Syd embarks on a journey as a spiritual seeker Soon she s in over her chakras as her search takes her from yoga studio to meditation hall to ashram gift store to the pages of Zensational catalogue Her Mah Jongg group insists it s merely a midlife crisis But nothing s going to stop Syd s journey toward Nirvana not even the hottest sale at Nordstrom s Follow Syd as she finds her bliss and discovers a richness that rivals a Godiva truffle making for one delicious enlightenment What do you wear to the meditation center I had asked Montana I mean when I go to temple I usually wear a suit Sometimes a pantsuit but mostly a skirt and a blazer Okay you definitely don t need to wear a suit Syd Just wear something comfortable to sit in And I promise you Om Guru is not about the clothes No one cares what you wear People there are concerned about the inner you about your journey to realize and meet the Self I thought for a minute and then said So let me ask you it this way When I meet my Self should I meet her in country club casual or something more dressy
