A Basic Bahá'í Dictionary Wendi Momen, 1989-01-01 *A Basic Bahá'í Dictionary* Wendi Momen, 1989 **A Basic Bahai Dictionary**, 1989 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979 **Baha'i and Globalisation** Annika Hvithamar, Margit Warburg, Morten Warmind, 2005-12-01 Globalisation has become a buzzword that typically refers to the intensifying integration of the world economy especially as midwifed by technological advances It also implies a growing political and cultural sense that all humanity is globally interdependent There have always been individuals of course who have advocated such awareness one of them being the founder of the Baha i faith who formulated a spiritual equivalent as the religion s central doctrine in the late 19th century Ye are the fruits of one tree and the leaves of one branch Its emphasis on global unification made Baha i an obvious candidate for a case study on new religions and globalisation The chapters in this volume fall into two sections diachronic and synchronic The first part is organised chronologically beginning with the emergence of the globalist tendency in the messianic vision of Babism the precursor to Baha i and concluding with an analytic history of its leaders changing attitudes to international politics The second part considers a variety of global themes in contemporary Baha i practice including global thought in Baha i writings the impact of the internet and the triumphalist and secular strains in Baha i identity Though five million members make it one of the world s most successful new religions Baha i has attracted little scholarly attention Most of the academics concentrating on Baha i have contributed to this volume which will appeal not only to students of modern religious movements but to anyone interested in the ways religions can adapt to and embrace the modern world *Historical Dictionary of the Baha'i Faith* Hugh C. Adamson, 2006-12-21 Growing out of the teachings of the B b who introduced the idea of the coming of a great prophet the one promised in the scriptures of all the world s major religions the Bah Faith was founded by Bah u ll h when in 1866 he publicly declared that he was the One the B b prophesized The 2nd edition of the Historical Dictionary of the Bah Faith presents a general historical overview of both B b and Bah religions as well as a theological overview of the Bah Faith from their inception in the mid 19th century to the middle of 2005 It presents biographical details of the Founders and Central Figures along with numerous leaders and pioneers most of the basic principles and precepts as well as aspects of its organization and administration Through the use of photographs a list of acronyms a chronology an introductory essay a bibliography hundreds of cross referenced dictionary entries on nearly every aspect of the religion and appendixes listing the genealogy of the Founders statistical information and lists of apostles disciples Hands of the Cause Knights of Bah u ll h as well as of more than 930 believers who have contributed to its growth and development this book is a fundamental tool for finding information on all things related to the Bah Faith **Paradise and Paradigm** Christopher Buck, 1999-01-01 Comparing paradise imagery in two Persian religions early Syriac Christianity and the Baha i Faith this work contributes to religious studies methodology by introducing symbolic paradigm analysis
