Catalog of NIE Education Products National Institute of Education (U.S.), 1975 *Educating Latino Preschool Children* Hortencia Kayser, 2008 **Effective Programs for Latino Students** Robert E. Slavin, Margarita Calderon, Margarita Calderon, 2012-11-12 Latino or Hispanic children are one of the fastest growing groups in U S schools today On average these students perform worse than Anglo students on measures of academic achievement and other measures of academic success and their drop out rate is high There are schools of excellence among those serving Latino children but the majority of these children are placed at risk by schools and community institutions unable to build on the cultural personal and linguistic strengths these children are likely to bring with them to school Schools serving Latino students need programs based on high quality research capable of being replicated and adapted to local circumstances and needs The purpose of this book is to present the current state of the art with respect to research on effective instructional programs for Latino students in elementary and secondary grades Surprisingly this has not been done before there are many books on the situation of Latino students in U S schools but none so far have reviewed research on the outcomes of programs designed to enhance the academic achievement of these students The chapters represent a broad range of methodologies from experimental to correlational to descriptive and the solutions they propose are extremely diverse Each examines in its own way programs and practices that are showing success Together they present a rich array of research based effective programs that are practical widely available and likely to make a profound difference What binds the chapters together is a shared belief that Latino students can succeed at the highest levels if they receive the quality of instruction they deserve and a shared belief that reform of schools serving many Latino students is both possible and essential This is a book filled with statistics description and reviews of research but even more it is filled with optimism about what schools for Latino students can be and what these students will achieve It is a highly relevant and useful resource for educators policymakers and researchers who want to use research to inform the decisions they make about how to help Latino students succeed in elementary and secondary schools and beyond **Educating the Minority Language Student** ,1984 An overview of classroom and administrative issues related to the education of language minority students in the United States is presented in two sections The section on classroom issues focuses on four topics teaching methodologies for English as a second language the features titles and sources of language proficiency assessment instruments principles techniques and policies for improving mathematics skills in this group and native and English language literacy for language minority students The section on administrative issues discusses a recent evaluative study of the Federal American Indian Alaskan Native program a transition program for refugee children a study by several State Boards of education to help states strengthen their capacity building for educational services to limited English speaking children elements of effective counseling programs and the Federal Education for All Handicapped Act of 1975 Each subsection contains a list of resources and a list of resource organizations is appended MSE
