Basileon ,1974      **Basileon** King's College (University of Cambridge),1974      **More than Nine Lessons and Carols**  
Allen Warren,2025-04-15 A biographical study of Eric Milner White DSO 1884 1963 Dean of King s College Cambridge 1918  
41 and Dean of York 1941 63 Anglo Catholic churchman collector restorer and aesthete      *Basileon* King's College  
(University of Cambridge),1974      The Gentleman's Magazine ,1850      **Women's University Fiction, 1880-1945** Anna  
Bogen,2015-10-06 The rise of the middle classes brought a sharp increase in the number of young men and women able to  
attend university Developing in the wake of this increase the university novel often centred on male undergraduates at either  
Oxford or Cambridge Bogen argues that an analysis of the lesser known female narratives can provide new insights

**Victorian Periodicals Newsletter** ,1979      **The Church of England Magazine** ,1837 Report and speeches at the  
third annual meeting of the Church Pastoral aid Society May 8 1838      **Dennis Robertson** G. Fletcher,2008-07-15 This  
book provides a comprehensive overview of Robertson s life and work Uncovering the sources of Robertson s inspiration and  
ideas and the all important causal relationship between the man and his work this fascinating account is a must read for all  
interested in rediscovering this great economist      **The New Cambridge Bibliography of English Literature: Volume 4,**  
**1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of  
volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly  
as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its  
essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to  
add materials of the following decade to correct and refine the bibliographical details already available and to re shape the  
whole according to a new series of conventions devised to give greater clarity and consistency to the entries      **Victorian**

Edward Cave,1821      *Understanding Dennis Robertson* Gordon A. Fletcher,2000 In this fascinating study Gordon Fletcher  
explores the relationship between the life and work of one of Britain s most distinguished economists Sir Dennis Holme  
Robertson 1890 1963 Drawing on a wealth of previously unpublished material novel forms of evidence both biographical and  
literary together with a fresh reading of Robertson s principal books and essays Fletcher argues that Robertsonian economics  
is indelibly stamped with the impression of Robertson the man and that by better understanding the man we shall better  
understand his economics He shows that this is particularly the case with respect to the way in which Robertson s thought  
developed and to its particular characteristics which have often been described by commentators but never explained Most  
interestingly he accounts for Robertson s breach with his Cambridge colleague J M Keynes With these insights we glimpse

the hidden human face of what is all too often regarded as the bloodless discipline the dismal science      *Muse of Fire*  
Michael Korda, 2024-04-16 The First World War comes to harrowing life through the intertwined lives of the soldier poets in Michael Korda's epic *Muse of Fire* Michael Korda the best selling author of *Hero and Alone* tells the story of the First World War not in any conventional way but through the intertwined lives of the soldier poets who came to describe it best and indeed to symbolize the war's tragic arc and lethal fury His epic narrative begins with Rupert Brooke the handsomest young man in England and perhaps its most famous young poet in the halcyon days of the Edwardian Age and ends five years later with Wilfred Owen killed in action at twenty five only one week before the armistice With bitter irony Owen's mother received the telegram informing her of his death on November 11 just as church bells tolled to celebrate the war's end Korda's dramatic account which includes anecdotes from his own family history not only brings to life the soldier poets but paints an unforgettable picture of life and death in the trenches and the sacrifice of an entire generation His cast of characters includes the young American poet Alan Seeger who was killed in action as a private in the French Foreign Legion Isaac Rosenberg whose parents had fled czarist anti Semitic persecution and who was killed in action at the age of twenty eight before his fame as a poet and a painter was recognized Robert Graves and Siegfried Sassoon whose friendship and friendly rivalry endured through long complicated private lives and finally Owen whose fame came only posthumously and whose poetry remains some of the most savage and heartbreaking to emerge from the cataclysmic war As Korda demonstrates the poets of the First World War were soldiers heroes martyrs victims their lives and loves endlessly fascinating that of Rupert Brooke alone reads like a novel with his journey to Polynesia in pursuit of a life like Gauguin's and some of his finest poetry written only a year before his tragic death *Muse of Fire* is at once a portrait of their lives and a narrative of a civilization destroying itself among the rubble shadows and the unresolved problems of which we still live from the revival of brutal trench warfare in Ukraine and in the Middle East      Guide to Reprints Albert James Diaz, 1983      The Court Magazine and Monthly Critic, and Lady's Magazine and Museum , 1845      *Catalogue* Bloomsbury Book Auctions (Firm), 1987
