AIDS Narratives Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual s bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it **So You Wanna Be a Legend. so Did I.** Hadley Hicks, 2010-07-30 Do you know what it takes to be a great teacher coach Hadley Hicks knows He was mentored by five collegiate Hall of Fame coaches he was a teammate of well known professional football players on a National Championship military team He even had a cup of coffee in professional baseball Hadley was successful as a high school and college coach Yet he never reached the greatness he felt was due him Hadley Hicks shares his heart in his search for significance His poignant humorous and down to earth writing style makes an enjoyable read He is candid in his heartbreaks the sin of divorce and the death of his eldest son He survived a parental petition for his dismissal as football coach He livened up his teaching experiences with an accidental shooting and a premeditated murder He kept his fellow faculty alert with numerous practical jokes Among student athletes he mentored was a Cy Young Award winner and three
