Claire Badaracco

Blinded By Might Can The Religious Right Save America:

The New American Militarism Andrew J. Bacevich, 2005-04-01 In this provocative book Andrew Bacevich warns of a dangerous dual obsession that has taken hold of Americans conservatives and liberals alike It is a marriage of militarism and utopian ideology of unprecedented military might wed to a blind faith in the universality of American values This mindset the author warns invites endless war and the ever deepening militarization of U S policy It promises not to perfect but to pervert American ideals and to accelerate the hollowing out of American democracy As it alienates others it will leave the United States increasingly isolated It will end in bankruptcy moral as well as economic and in abject failure With *The New American Militarism* which has been updated with a new Afterword Bacevich examines the origins and implications of this misguided enterprise He shows how American militarism emerged as a reaction to the Vietnam War Various groups in American society soldiers politicians on the make intellectuals strategists Christian evangelicals even purveyors of pop culture came to see the revival of military power and the celebration of military values as the antidote to all the ills besetting the country as a consequence of Vietnam and the 1960s The upshot acutely evident in the aftermath of 9 11 has been a revival of vast ambitions and certainty this time married to a pronounced affinity for the sword Bacevich urges us to restore a sense of realism and a sense of proportion to U S policy He proposes in short to bring American purposes and American methods especially with regard to the role of the military back into harmony with the nation s founding ideals *Evangelicals and Democracy in America* Steven G. Brint, Jean Reith Schroedel, Steven Brint, 2011-09 By the end of the nineteenth century the vast majority of U S churches were evangelical in outlook and practice America s turn toward modernism and embrace of science in the early twentieth century threatened evangelicalism s cultural prominence But as confidence in modern secularism wavered in the 1960s and 1970s evangelicalism had another great awakening The two volumes of *Evangelicals and Democracy in America* trace the development and current role of evangelicalism in American social and political life Volume I focuses on who evangelicals are today how they relate to other groups and what role they play in U S social institutions Part I of *Religion and Society* examines evangelicals identity and activism Contributor Robert Wuthnow explores the identity built around the centrality of Jesus church and community service and the born again experience Philip Gorski explores the features of American evangelicalism and society that explain the recurring mobilization of conservative Protestants in American history Part II looks at how evangelicals relate to other key groups in American society Individual chapters delve into evangelicals relationship to other conservative religious groups women and gays African Americans and mainline Protestants These chapters show sources of both solidarity and dissension within the traditionalist alliance and the hidden strengths of mainline Protestants moral discourse Part III examines religious conservatives influence on American social institutions outside of politics W Bradford Wilcox David Sikkink Gabriel Rossman and Rogers Smith investigate evangelicals influence on families schools popular culture and the courts respectively What emerges is a picture of American

society as a consumer marketplace with a secular legal structure and an arena of pluralistic competition interpreting what constitutes the public good These chapters show that religious conservatives have been shaped by these realities more than they have been able to shape them Evangelicals and Democracy in America Volume I is one of the most comprehensive examinations ever of this important current in American life and serves as a corrective to erroneous popular representations These meticulously balanced studies not only clarify the religious and social origins of evangelical mobilization but also detail both the scope and limits of evangelicals influence in our society This volume is the perfect complement to its companion in this landmark series Evangelicals and Democracy in America Volume II Religion and Politics *From Pews to Polling Places* J. Matthew Wilson, 2007-10-22 Does religion promote political mobilization Are individuals motivated by their faith to focus on issues of social justice personal morality or both What is the relationship between religious conviction and partisanship Does religious identity reinforce or undermine other political identifications like race ethnicity and class The answers to these questions are hardly monolithic varying between and within major American religious groups With an electoral climate increasingly shaped by issues of faith values and competing moral visions it is both fascinating and essential to examine the religious and political currents within America's major religious traditions J. Matthew Wilson and a group of prominent religion and politics scholars examine these topics and assess one question central to these issues How does faith shape political action in America's diverse religious communities From Pews to Polling Places seeks to cover a rich mosaic of religious and ethnic perspectives with considerable breadth by examining evangelical Christians the religious left Catholics Mormons African Americans Latinos Jews and Muslims Along with these groups the book takes a unique look at the role of secular and antifundamentalist positions adding an even wider outlook to these critical concerns The contributors demonstrate how different theologies histories and social situations drive distinct conceptualizations of the relationship between religious and political life At the same time however the book points to important commonalities across traditions that can inform our discussions on the impact of religion on political life In emphasizing these similarities the authors explore the challenges of political mobilization partisanship and the intersections of religion and ethnicity *God and Governing* Roger N. Overton, 2009-07-01 Abortion Poverty Pornography More than thirty years ago evangelical conservatives moderates and liberals alike began tackling these and other major social problems head on through concerted political effort The intervening decades witnessed the rise of groups such as the Moral Majority and the Christian Coalition which supported numerous politicians and religiously driven policies Why is it then that despite the seemingly great potential of these and other similar groups the same pervading social problems still persist How is it that evangelicals have been so ineffective at changing the political and social landscape of the United States in a positive way Based on a conference organized by Trinity Law School God and Governing brings together theologians politicians law professors and cultural critics in order to examine the root causes of evangelical political failure over the past thirty years With a foreword by Charles Colson contributors

include David Wells Paul Marshall Os Guinness Patrick Nolan Vishal Mangalwadi Dallas Willard Donald McConnell and Stephen Kennedy *Redeemer, Second Edition* Randall Balmer, 2024-04-11 This illuminating biography of our thirty ninth president by an acclaimed historian of American religion presents Jimmy Carter as the last great standard bearer of progressive evangelical politics Evangelical Christianity and conservative politics are commonly viewed today as inseparable But when Carter a Democrat and unabashed born again Christian won the presidency in 1976 he owed his victory in part to American evangelicals Yet four years later those very same voters abandoned Carter for Ronald Reagan and the Republican Party signaling the eclipse of Christian progressivism by the Religious Right Balmer briskly narrates Carter s religious and political development his stunning rise from peanut farmer to Georgia governor to president of the United States his accomplishments and missteps and his swift fall from political grace With a keen eye for the dynamic politics of the 1970s and 80s and the inner workings of right wing religious organizing Balmer provides a compelling account of an often misunderstood moment in American political history full of insight into the character and motivations of the nation s longest lived president Now in paperback for the first time this edition includes a new afterword on the forces that led to Carter s 1980 defeat and the ways his policy priorities and values extended to his long career as a humanitarian and activist after leaving the White House *When the Church Woke* William B. Lawrence, 2022-10-21 The most divisive and damaging aspect of the church in America is the combination of racism and white supremacy that has been woven into the fabric of the church to the degree that one cannot discuss the church in America apart from this sin Nowhere is this clearer than in American Methodism including The United Methodist Church That denomination which has been divided for decades over issues regarding human sexuality and homosexuality is a product of a long history of racism and white supremacy While initiatives have been taken to address these matters there has not been any effort to help the church focus on being anti racist in its practices or public witness at every level including local church levels This is a book that identifies this sin and offers an innovative look at the mission of the church based on biblical witnesses to new life with the resurrection It offers proposals for reparations and renewal that will come when the church woke *Evangelicals and Israel* Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God s prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God s blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the

Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists' hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W. Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies Evangelicals and Israel corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

Rightward Bound Bruce J. Schulman, Julian E. Zelizer, 2008-03-15 Often considered a lost decade a pause between the liberal Sixties and Reagan's Eighties the 1970s were indeed a watershed era when the forces of a conservative counter revolution cohered These years marked a significant moral and cultural turning point in which the conservative movement became the motive force driving politics for the ensuing three decades Interpreting the movement as more than a backlash against the rampant liberalization of American culture racial conflict the Vietnam War and Watergate these provocative and innovative essays look below the surface discovering the tectonic shifts that paved the way for Reagan's America They reveal strains at the heart of the liberal coalition resulting from struggles over jobs taxes and neighborhood reconstruction while also investigating how the deindustrialization of northern cities the rise of the suburbs and the migration of people and capital to the Sunbelt helped conservatism gain momentum in the twentieth century They demonstrate how the forces of the right coalesced in the 1970s and became through the efforts of grassroots activists and political elites a movement to reshape American values and policies A penetrating and provocative portrait of a critical decade in American history **Rightward Bound** illuminates the seeds of both the successes and the failures of the conservative revolution It helps us understand how despite conservatism's rise persistent tensions remain today between its political power and the achievements of twentieth century liberalism **Don't Stop Believing** Michael E. Wittmer, 2009-08-30 Must you believe something to be saved Does the kingdom of God include non-Christians Is hell for real and forever These are big questions Hard questions Questions that divide Christians along conservative and liberal lines Conservatives love their beliefs and liberals believe in their love Each pushes the other to opposite extremes Fundamentalists imply that it doesn't matter how we live as long as we believe in Jesus while some Emergent Christians respond that it doesn't matter what we believe as long as we live like him Theologian Michael Wittmer calls both sides out of bounds and crafts a third way that retains the insights of each He examines ten key questions that confront contemporary Christians and shows why both right belief and right practice are necessary for authentic Christianity Here is an urgent reminder that best practices can only arise from true beliefs Genuine Christians never stop serving because they never stop loving and they never stop loving because they never stop believing Quoting

God Claire Badaracco, 2005 Quoting God charts the many ways in which media reports religion news how media uses the quoted word to describe lived faith and how media itself influences and is influenced by religion in the public square The volume intentionally brings together the work of academics who study religion as a crucial factor in the construction of identity and the work of professional journalists who regularly report on religion in an age of instant and competitive news This book clearly demonstrates that the relationship between media culture and spiritual culture is foundational and multi directional that the relationship between news values and religion in political life is influential and that the relationship amongst modernity belief and journalism is pivotal

Guess Who's Coming to Dinner Now? Angela D Dillard, 2023-11-21 An excellent overview of African American LGBT and other minority group conservatives The New Republic In Guess Who's Coming to Dinner Now Angela Dillard offers the first comparative analysis of a modern conservatism that cuts across boundaries of race ethnicity gender and sexuality To be an African American and a conservative or a Latino who is also a conservative and gay is to occupy an awkward and contested political position Dillard explores the philosophies politics and motivation of minority conservatives such as Ward Connerly Glenn Loury Linda Chavez Clarence Thomas and Bruce Bawer as well as their tepid reception by both the left and right Welcomed cautiously by the conservative movement they have also frequently been excoriated by those African Americans Latinos women and LGBT people who view their conservatism as betrayal Dillard's comprehensive study among the first to take the history and political implications of multicultural conservatism seriously is a vital source for understanding contemporary American conservatism in all its forms Dillard analyzes the famous Clarence Thomas Linda Chavez the obscure Elizabeth Wright's black conservative newsletter Issues and Views and the in between the memoirs of the gay conservative Marvin Liebman The New York Times

After the Election Ron Scott Sanders, 2018-04-05 The role of Evangelical Christianity in American public life is controversial The mythology of America as a Christian nation and the promissory note of secularism have proved inadequate to cope with the increasing pluralism the resilience of spirituality and the wariness toward formal religion that mark our post secular age Christianity and democracy have a complex history together but is there a future where these two great traditions draw the best out of one another What does that future look like in a heterogeneous society Sanders argues that democracy is stronger when it allows all of its religious citizens to participate fully in the public sphere and Christianity is richer when it demonstrates the wisdom of God from the ground up rather than legislating it from the top down In this reality the Evangelical church must return to Christianity's prophetic roots and see itself as a community in exile where participation in the political is important but not ultimate where the substantive work of the church happens after the election

The Rhetoric of Operation Rescue Mark Allan Steiner, 2006-05-12 A close look at the rhetoric of Operation Rescue

Talk about Sex Janice M. Irvine, 2004 Describes the political transformations cultural dynamics and affective rhetorics that together helped ignite the passionate conflicts over sex education on both the national and local levels in the United States

While I Was Praying Ralph K.

Hawkins,2006 From Abraham s prayer of protest to Habakkuk s struggle to understand terrorism to Jesus tradition bound words of the Lord s Prayer readers of *While I Was Praying Finding Insights about God in Old Testament Prayers* will uncover new insights into how the ancient Hebrews understood their God In their prayers to God the ancient Israelites expressed what they believed to be the nature characteristics and attributes of God Often it was through prayer that they received profound insight into the nature of God As a part of this study each chapter not only explores an Old Testament prayer in its historical and scriptural context but also includes Connections to the experiences and needs of today s readers Written for use in both personal reflection and small group study each chapter also provides discussion questions to provoke deeper reflection into the nature and continued potency of Old Testament prayers

Catholics and US Politics After the 2020 Elections Marie Gayte,Blandine Chelini-Pont,Mark J. Rozell,2022-02-18 This book examines the evolution of the Catholic vote in the United States and the role of Catholic voters in the 2020 national elections more specifically There is a paucity of academic books on Catholic voters even though Catholics comprise nearly one quarter of the US national popular vote and commonly are called the swing vote Scholars of religion and politics tend to focus heavily on the evangelical right thus overlooking the powerful influence of Catholic voters who by the accounts in this volume were critical to the presidential election of President Joe Biden To understand the intersection of religion politics and election outcomes in the US requires an analysis of the role played by Catholics Among key topics covered in this volume are whether Biden s Catholic identity was key to his achieving a larger percentage of the Catholic vote than achieved by Hillary Clinton in 2016 the role of the Catholic bishops in US elections the critically important role of the Catholic Latino vote in US elections the conservative Catholic and evangelical alliance in US politics and the distinctive politics of social justice Catholics and socially conservative Catholics

Evangelicals and Abortion J. Cameron Fraser,2024-04-18 *Evangelicals and Abortion* traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of *Roe v Wade* in 2022

Censorship of the American Theatre in the Twentieth Century John H. Housh,2003-06-26 John Housh explores the impact of censorship in twentieth century American theatre He argues that theatrical censorship coincides with significant challenges to religious political and cultural traditions Along with the well known instance of the House Un American Activities Committee in the 1950s other almost equally influential events shaped the course of the American stage during the century The book is arranged in chronological order It provides a summary of censorship in eighteenth and nineteenth century America and then analyses key political and theatrical events between 1900 and 2000 These include a discussion of the 1913 riot after the Abbey Theatre touring production of *Playboy of the Western World* protests against Clifford Odet s *Waiting for Lefty* performed by militant workers during the Depression and reactions to the recent play *Angels in America*

Religion and Politics in the International System Today Eric O. Hanson,2006-01-16 Publisher Description [What's God Got to Do](#)

with the American Experiment? E. J. Dionne, John J. DiIulio, 2010-12-01 More than two hundred years have passed since the Constitution was written yet Americans still cannot make up their minds whether religion is primarily private public or a combination of the two This collection of essays explores the unsettled and often unsettling question of organized religion s role in contemporary public life Richard N Ostling reviews religious belief and practice in the United States in a survey of the ever changing religious landscape while Robert J Blendon and others compare the political moral and religious values of the 1960s with those of the 1990s Patrick Glynn and Alan Wolfe examine different religious responses to the recent presidential scandal and James Q Wilson John J DiIulio Jr and Ram Cnaan examine the rise of faith based social programs including the shift of private funds to social service providers the role of black churches in the inner city and social and community work by urban religious congregations Additional contributors include Taylor Branch Kurt Schmoke Cal Thomas and Peter Wehner

Blinded By Might Can The Religious Right Save America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Blinded By Might Can The Religious Right Save America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Blinded By Might Can The Religious Right Save America PDF books

and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Blinded By Might Can The Religious Right Save America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Blinded By Might Can The Religious Right Save America Books

1. Where can I buy Blinded By Might Can The Religious Right Save America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
