Blondie Iscariot Edgar Lustgarten, 1948 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 Cumulative Paperback Index, 1939-1959 R. Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin *The English Catalogue of Books Published from January, 1835, to January, 1863*, 1864 *Twentieth Century Crime & Mystery Writers* NA NA, 2015-12-25

The Raymond Chandler Papers Raymond Chandler, 2012-02-27 Selected letters and nonfiction of one of America's most beloved writers reveals the occasionally softer side of the man behind the hard boiled mysteries Library Journal The Raymond Chandler Papers brings together the correspondence and other previously uncollected writing of America's undisputed master of crime fiction and creator of the iconic private eye Philip Marlowe revealing all aspects of the great artist's powerful personality and broad intellectual curiosity Featuring a selection of Chandler's previously unpublished early writings including a gripping piece about his combat experiences in World War I and an abandoned profile of the infamous mobster Lucky Luciano The Raymond Chandler Papers is a must have for all true fans and an important contribution toward understanding the life and work of the enigmatic man Evelyn Waugh called the greatest living American novelist Since this is Chandler's writing quotable funny even hilarious comments appear on every page Publishers Weekly *Justice Denoted* Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and

John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *boite noire* of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers
