Blood Of Roses:

Blood and Roses Helen Castor, 2011-11-03 The Wars of the Roses turned England upside down Between 1455 and 1485 four kings including Richard III lost their thrones more than forty noblemen lost their lives on the battlefield or their heads on the block and thousands of the men who followed them met violent deaths As they made their way in a disintegrating world the Paston family in Norfolk family were writing letters about politics about business about shopping about love and about each other including the first valentine Using these letters the oldest surviving family correspondence in English Helen Castor traces the extraordinary history of the Paston family across three generations *Blood and Roses* tells the dramatic moving and intensely human story of how one family survived one of the most tempestuous periods in English history Longlisted for the Samuel Johnson Prize in 2005 and winner of the English Association's Beatrice White Prize in 2006 *The Red of Blood and Roses* Danielle Hall, 2023

Blood and Roses Wolfgang Nachtmann, The wrought iron gates of the Blackwood Estate creaked in the autumn wind their rusted hinges singing a mournful song that echoed through the mist shrouded grounds Evangeline Thorne pulled her wool coat tighter around her shoulders as she approached the imposing manor house its Gothic spires disappearing into the gray October sky like accusatory fingers pointed toward heaven She had come here seeking employment nothing more The advertisement in the London papers had been brief and mysterious Governess required for private instruction Discretion essential Apply in person to Blackwood Estate Yorkshire The generous salary offered had been impossible to ignore especially for a woman in her precarious position As she climbed the stone steps to the massive oak door Evangeline couldn't shake the feeling that she was being watched The windows of the manor were dark their panes reflecting her pale face like hollow eyes She raised the heavy brass knocker and let it fall three times the sound reverberating through the silence like gunshots The door opened almost immediately as if someone had been waiting just beyond the threshold A stern faced woman in black dress and white apron stood before her her gray hair pulled back in a severe bun that seemed to stretch the skin of her face taut across sharp cheekbones Miss Thorne I presume The woman's voice was clipped her accent refined but cold I am Mrs Blackwood the housekeeper You are expected Evangeline nodded surprised by the immediate recognition She had not sent word of her exact arrival time yet this woman seemed to know precisely when she would appear Yes I've come about the governess position
