The Seals: A Panoramic View of the First Half of the Seven Year Tribulation Billy Crone,2018-05-09 What will it be like for those left behind after the Rapture of the Church What horrors await the planet when the prophesied Seven Year Tribulation begins in all its gory detail Do Christians need to be concerned about the Seven Year Tribulation Is it too late for people to turn to the Messiah Will there be any way out of this horrible time frame when God pours out His unmitigated wrath How will the antichrist deceive so many people and take over the world Are there any signs that this period described by Jesus as the worst time in the history of mankind is actually fast approaching All these questions and much much more will be answered in this book The Seals A Panoramic View of the First Half of the Seven Year Tribulation Buckle your seat belts hold on to your hats and get ready for the journey of your life No other book takes you on such an in depth amazing thrill ride through the first half of the Seven Year Tribulation

The Rapture 2028: America's Countdown to Apocalypse! David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea

Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God s will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14

Horae Apocalypticae Vol. 1 E. B. Elliot, 2018-01-14 Horae Apocalypticae is an eschatological study written by Edward Bishop Elliott The book is as its long title sets out A commentary on the apocalypse critical and historical including also an examination of the chief prophecies of Daniel illustrated by an apocalyptic chart and engravings from medals and other extant monuments of antiquity with appendices containing besides other matter a sketch of the history of apocalyptic interpretation the chief apocalyptic counter schemes and indices Horae Apocalypticae Hours with the Apocalypse is doubtless the most elaborate work ever produced on the Apocalypse Without an equal in exhaustive research in its field it was occasioned by the futurist attack on the Historical School of interpretation Begun in 1837 its 2 500 pages are buttressed by some 10 000 invaluable references to ancient and modern works

The Rapture, One-World Government and the "Great Tribulation" Luis Muñoz, 2013-08-13 This book explains in great detail and exceptional clarity the issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days

there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25 NKJV Green Jasper K M Grant,2005-05-05 Spring 1193 Just returned from the Crusades brothers Gavin and Will find home changed more than they d expected in fact home is a very dangerous place indeed Ellie is reluctantly preparing for her wedding to Gavin He s not the problem marriage is To Ellie it means a servitude b no independence and c certain death in childbirth before she s 18 But marriage it turns out is the least of her worries King Richard has been declared dead and his brother John is claiming the throne Hartslove castle is attacked on the day of the wedding and Ellie is kidnapped by one of Prince John s supporters Gavin knows he should try to rescue her but can t help thinking that a one armed knight is no use to anyone especially a beautiful girl like Ellie It s left to William and his horse Hosanna to rescue Ellie and prove that King Richard is still alive but success in both is marred by a tragedy that none of them will ever forget The heartbreaking sequel to K M Grant s brilliant debut novel BLOOD RED HORSE Journal of the American Oriental Society ,1889 Journal of the American Oriental Society American Oriental Society,1889 List of members in each volume **The Apocalypse...** Dr. Jana Jones McDowell, In this book we will take the unique approach and read the Book of Revelation as it was meant to be read That is we will read Revelation exactly as Apostle John wrote it with his Hebraisms and his Jewish writing style Taking into account John s Jewish mindset we will embark on a very different approach to interpreting his Divinely given visions the visions which later came to be compiled into what is now known as the Book of Revelation First we must look at the Book of Revelation in context and realize that it is a letter written in the first century by a Jewish Christ follower who lived in a Roman dominated society where Roman Greek gods were idolized and worshiped With this in mind we need to understand John s mindset being that he thought in Hebrew but wrote in the language of the land which was Greek We also must realize that John s letter was meant for a predominately Jewish audience who may or may not have believed that Jesus was the Jewish Messiah who lived under Roman rule and therefore dominated spiritual and cultural values values that went against those of the Jewish people who worshipped the God of Israel Therefore John s letter to the people of the churches in Asia Minor was very anti Roman Characteristic of ancient Jewish literature was a very unique writing style Thoroughly Jewish John wrote with this 7 characteristic style and the Jewish people were accustomed to reading it What are the implications of interpreting John s letter exactly as he wrote it with its characteristic Jewish style Actually several very different ideas emerge as to both the structure and the timeline of the Book of Revelation creating interpretations that are

quite unlike interpretations we may have been exposed to when studying the Bible through traditional methods For instance we will see that the timeline of the Book of Revelation is multidimensional and reiterative which is very different than the typical linear and sequential interpretation we are accustomed to reading and as modern theologians teach We also see that using John s style that the Book of Revelation has a very different structure than is presented in the New Testament as contained in the Bibles of today What if the timeline of the Book of Revelation is not linear and sequential as it has traditionally been read from beginning to end What if the structural divisions of Revelation we are so accustomed to are artificial and not as John originally intended them to be Illustrations of the Holy Scriptures, derived principally from the manners, customs, rites, traditions, forms of speech, antiquities, climate, and works of art and literature of the Eastern nations; embodying all that is valuable in the works of Harmer, Burder, Paxton, and Roberts, and the most celebrated oriental travellers; embracing also the subject of the fulfilment of prophecy, as exhibited by Keith and others ... Edited by Rev. G. Bush. [With plates.] George Bush,1839 *Drama of the Age* John Carroll Brown,2005-10 *Drama of the Age* is a fresh look at Revelations Beginning with the initial vision and letters it presents both the preparation and action of the divinedrama

The Revelation of John, Volume Two William Barclay,2004-04-01 Here the reader meets many of the picturesque images that are identified with Revelation the four horses and their riders the antichrist the woman clothed with the sun the beast with his number Armageddon William Barclay helps the reader understand and interpret these and many other images drawn from Revelation that have so seized hold of the world s imagination For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives **The Revelation of Jesus Christ** Wallace Shows,2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are
