Montagu has never considered marriage seriously But when he meets Cecilia he cannot help but be intrigued Cecilia tries to fight her attraction to him but despite their efforts a friendship slowly blossoms between them But when the two accidentally elope they soon find themselves married Cecilia is still certain that she cannot hold her husband s attention for long and with Archie disappearing and receiving strange letters she fears she is losing her his attention much sooner than she anticipated Three Wishes Upon a Tombstone Can they turn friendship into love Especially when she has no desire to remarry On the four year anniversary of her husband s death Rosie decides that it is time she starts living her life again instead of simply surviving She makes three wishes on her husband s tombstone She wants to start a charity she wants to host the party of the season and she wants another child And where does her childhood friend Gregory fit into this Absolutely nowhere The desire she starts feeling for him is highly inconvenient especially when it turns into more than attraction If you like steamy stories from the Regency and Victorian Era this box set might be for you This is a box set of the last four novels in the Lust and Longing series They are Historical Regency Romances about love and lust friends to lovers arranged marriages secret affairs and accidental elopements all with a happy ever after *The Westminster Review* ,
