BELFAST TELEGRAPH Oh my can this author write women NEW YORK TIMES A well researched page turning story with characters to root for and some seriously good misdirection This is excellent outback noir EMMA STYLES A blisteringly good book Compulsive brilliant atmospheric and with serious emotional clout These characters didn't just jump off the page they pulled me into it An absolute five star read GYTHA LODGE Atmospheric and brooding this gripping police procedural opened my eyes to modern day exploitation in outback Australia Tara is a smart heroine I'd love to read much more of ED JAMES A bloody good and indeed bloody story of suspense and mystery MORNING STAR **Ebony**, 2000-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Sisters and the English Household* Anne D. Wallace, 2018-09-15 Sisters and the English Household revalues unmarried adult sisters in nineteenth century English literature as positive figures of legal and economic autonomy representing productive labor in the domestic space As a crucial site of contested values the adult unmarried sister carries the discursive weight of sustained public debates about ideals of domesticity in nineteenth century England Engaging scholarly histories of the family and providing a detailed account of the 70 year Marriage with a Deceased Wife's Sister controversy Anne Wallace traces an alternative domesticity anchored by adult sibling relations through Dorothy Wordsworth's journals William Wordsworth's poetry Mary Lamb's essay On Needle Work and novels by Jane Austen Elizabeth Gaskell Charles Dickens Dinah Mulock Craik and George Eliot Recognizing adult sibling relationships and the figure of the adult unmarried sibling in the household as primary and generative rather than contingent and dependent and recognizing material economy and law as fundamental sources of sibling identity Sisters and the English Household resets the conditions for literary critical discussions of sibling relations in nineteenth century England **The Suppressed Sister** Amy K. Levin, 1992 Contentious behavior among biological sisters frequently contradicts ideals of sisterhood in novels by women Additionally feminist criticism focusing on almost every imaginable relationship involving women has all but ignored sisters Amy K Levin's *The Suppressed Sister* studies these circumstances their causes and consequences How and why is the sister bond suppressed in favor of sisterhood Answers to this question may be found in female psychology social expectations and patriarchal myths and stories The tales of Cinderella and Psyche are paradigmatic providing models of female competition and inscribing a conclusion that replaces sisterly closeness with heterosexual romance Jane Austen's sister plot is based on these models Her characters divide into pairs and adopt complementary personalities but polarization does not erase competition instead marriage erects social and economic barriers which enforce role divisions In *Wives and Daughters* Cranford and *The Life of Charlotte Brontë* Elizabeth Gaskell shows the danger of too close an attachment to the paternal home She too emphasizes differences revealing how they ultimately lead siblings to seek a sisterhood outside the family In *Mill on the Floss* Middlemarch and *Daniel Deronda* George Eliot paints increasingly negative portraits of sisters indicating that female siblings create differences where few or none exist These denials of similarity heighten the heroines isolation

Twentieth century novelists including Barbara Pym Elizabeth Jane Howard and Margaret Drabble revise their predecessors texts drafting a plot after the father s They reject rules governing female behavior and question the expectation that women must get along with one another Finally Emma Tennant s *Bad Sister* together with several recent American novels abandons the conventions of the realistic novel challenging the very concept of character Tennant undermines all distinctions including those that treat sisters as separate individuals and those that classify certain behaviors as good or bad These novels show a progression that has been ignored or suppressed by feminist critics many of whom long for an idyll of sisterhood inherited from nineteenth century portraits of the angel in the house In denying anger or antagonism women cut off a part of themselves just as Cinderella s stepsisters amputate their toes to fit in her brittle glass slipper Levin s book questions the rationale behind such self destruction

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Gertrude Stein Michael J. Hoffman,19?? **You Are Enough** Danielle Bean,2018-10-15 Every one of us is made in the image of God We are unique we are worthy of love and we are called to greatness In this world though it can be easy to be distracted from that truth and begin to doubt God s love is real We live in a world that tells us we are not smart enough not pretty enough not sexy enough not rich enough not thin enough and don t have enough friends It s easy to focus on the ways we fall short of worldly perfection and to forget that we are already made perfect We are already enough God has made each of us for a unique purpose and he calls each of us to know him in unique ways In a world where everything feels fleeting and temporary we are made for everlasting life we are meant to experience God s abiding love *You Are Enough* uses the timeless tales of the Bible to clarify that truth for modern women See how God s love for each of us shines forth through the stories of the women of the Old Testament Connect with the hopes dreams struggles and experiences of these remarkable women Learn how the lives of these women contain valuable lessons for our lives today Find hope and encouragement as you discover that you are enough you are accepted for who you are as a beloved daughter of God

Sisters Michael Cohen,1995 The agency of this erasure is a heroic rescue of one sister by the other In both arts the subject of female rescue is resisted and contested *United States Non-profit Organizations, Voluntary Agencies, Missions and Foundations Participating in Technical Assistance Abroad* Technical Assistance Information Clearing House,1965 **A Mission Divided** David Harold-Barry,2022-04-29 ELEVEN JESUITS SET OUT FOR THE INTERIOR OF SOUTHERN AFRICA BY OX WAGON IN APRIL 1879 ON A MISSION TO PREACH THE CHRISTIAN GOSPEL TO THE PEOPLE BEYOND THE LIMPOPO RIVER WITHIN A YEAR AND A HALF THREE OF THEM WERE DEAD They shared the same ignorance of Africa as their European contemporaries concerning disease geography culture religion and the political rivalries of the people among whom they came They also shared a narrow frame of reference towards the continent and the failure of imagination that went with it Further as people of their time they saw and were seen by other denominations as rivals and far from co operating the churches indulged in an unseemly competition And yet these men were in their own way heroic and faced the

difficulties eagerly even joyfully Their failures and disappointments far outweighed the little progress they appear to have made but they laid the foundations for what was to follow after 1890 when the colony of Southern Rhodesia was established This event inaugurated a ninety year period when relations between church and state waxed and waned The missionaries welcomed the order even if it could not be called peace and the infrastructure the colonisers introduced The speed of travel for instance went from about 15 km a day by ox wagon to 30 km an hour by train But the Church and the Jesuits were for long the drivers of what we mean by Church never managed to decide on a coherent policy vis a vis the white government until it was too late They were divided the majority of Jesuits worked with blacks but there was a sizeable number who worked exclusively with whites So while we can document the enormous and fruitful work that was done over the decades after 1890 we have to acknowledge the failure to give a united witness in confronting the nakedly racist policies of the state If we had been able to do this in the 1920s and 30s we might have contributed to the evolution of a more harmonious society and avoided the terrible bloodshed of subsequent years
