Blood Warriors:

Smoke Michelle Lee Alfonso, 2020-02-01 Twins Roxanne and Malachi Montgomery have always eagerly followed in their parents footsteps As Blood Warriors for their homeland Evayldrie and the hidden saviors of the populated realms the Warriors purpose is to maintain the Balance a flexible force that holds the very threads of the universe together At age twelve Roxanne and Malachi witness the gruesome murder of their father and not long thereafter the disappearance of their mother forces them out of Evayldrie away from the world they knew and loved Now nineteen the twins venture beyond the portal to discover the truth of the Montgomery legacy The craving for revenge urges them forward into a devastating future full of questions without answers Everyone knows the danger of playing with fire Is the truth too hard to swallow when you re suffocating on the smoke *Princess Resurrection* Yasunori Mitsunaga, 2016 **Samaria** Steve Suwali, 2013-06-28 Three intrepid English teenagers have always shared a love of exploration and adventure So when they realize that one of their fathers has finally completed his dream inducing machine and they will get to trial it first they can t believe their good luck After they re lulled to sleep things go a wry They awaken bewildered to find themselves trapped in Samaria a magical land where dragons are revered and demons stalk the night The mystical realm faces enormous peril as an evil menace is reborn and they align themselves with the King and his warriors to defend the kingdom in a battle of light vs dark dream vs nightmare and love vs hate Packed with humour love romance and epic battle scenes Samaria is a roller coaster ride of thrills spills and suspense keeping you riveted in your seat until the final unexpected climax Earmarked for the Big Screen it s not one to miss Owned Naomi West, Owned is book 1 of the Blood Warriors MC trilogy Books 2 and 3 Owned by the Biker and Owned by the Outlaw are available everywhere now I BOUGHT HER SO SHE COULD GIVE ME A CHILD I need a son to fulfill my father s last wishes The pretty bartender is perfect for the job hot lonely and desperate Now I own all of her from her lips to her womb And she s going to have my baby It sure as hell wasn t how I saw my life going I m a biker after all not some loser dad with a white picket fence and 2 3 annoying children I drink I fight I screw I definitely don t babysit But even for a rebel like myself some things simply must be done My father begged me on his deathbed to give him a grandchild Plus he made it a requirement of my inheritance Fine As you wish Pops One baby coming up But the women in my life are hardly fit for conversation much less reproducing I need someone a little different That s where Star came in She s as tough as they come but more importantly she s desperate for some money I can give her that In exchange I want all of her I want to see that sexy little grin To touch that tight little body And to give her a night that she will never forget at least not for nine months afterwards I ll do whatever I want with this vixen After all I own her now Owned by the Biker Naomi West, Owned by the Biker is book 2 of the Blood Warriors MC trilogy Book 3 Owned by the Outlaw is available everywhere now I BOUGHT HER SO SHE COULD GIVE ME A CHILD I need a son to fulfill my father s last wishes The pretty bartender is perfect for the job hot lonely and desperate Now I own all of her from her lips to her womb And she s going to have my baby

It sure as hell wasn't how I saw my life going. I'm a biker after all, not some loser dad with a white picket fence and 2-3 annoying children. I drink, I fight, I screw, I definitely don't babysit. But even for a rebel like myself, some things simply must be done. My father begged me on his deathbed to give him a grandchild. Plus he made it a requirement of my inheritance. Fine. As you wish, Pops. One baby coming up. But the women in my life are hardly fit for conversation, much less reproducing. I need someone a little different. That's where Star came in. She's as tough as they come, but more importantly, she's desperate for some money. I can give her that. In exchange, I want all of her. I want to see that sexy little grin, to touch that tight little body. And to give her a night that she will never forget, at least not for nine months afterwards. I'll do whatever I want with this vixen. After all, I own her now.

Open Season Jonathan Kellerman, 2025-02-11 The most beloved and enduring duo in American crime fiction is back. NEW YORK TIMES BESTSELLER. Psychologist Alex Delaware and Homicide Detective Milo Sturgis race against time to find a twisted killer in this riveting thriller from the #1 New York Times bestselling master of suspense. Los Angeles Times: People come to Los Angeles to chase their dreams. Sometimes they find themselves cast into a nightmare. And sometimes the most ardent dreamers turn out to be the most vicious monsters. The body of an aspiring actress is found dumped near a hospital emergency room. She's been drugged and murdered, and the motive for the callous crime remains maddeningly out of reach. Until a prime suspect materializes. Another Hollywood hopeful. Only to be shot dead by a sniper using a weapon that turns out to have been catalogued in a previous murder. And another before that. It's not long before more bodies begin piling up. What makes the murderous spree baffling is the apparent lack of connection among the victims. Is this the work of a random thrill killer, the toughest of all cases to unravel? But as Alex and Milo dig deeper, they're faced with an even knottier scenario: a highly complex killer with deep-seated motivation that will require all of their highly honed skills to decipher. The latest page-turner from #1 New York Times bestseller Jonathan Kellerman is a tale of psychological complexity, dark suspense, and shocking surprises. A wild ride through L.A.'s surreal underbelly climaxed by an edge-of-the-chair conclusion.

Summoner #2: The Summoner Returns Kristoffer J. Andersen, 2024-10-24 After his first encounter with the Summoner, Pelle has decided NEVER to play Summoner again. He doesn't want to be chased by all kinds of crazy creatures in the real world. Fortunately, that's not a big problem right now because the Summoner craze is over, and now everybody wants to play Epic Battle, a totally awesome miniature wargame that Pelle happens to be pretty great at. But the summoners haven't forgotten about Pelle, and one day during an Epic Battle tournament, they manage to trap Pelle and his friends inside Epic Battle's fantastical but extremely dangerous world. The three children's only chance of escaping is to win the game. But in this world, the three friends are just children, and Pelle's Orcs, Julie's Shadow Elves, and Villads' Knights have no intention of obeying their orders. This book is the second volume in the SUMMONER series and can be read independently. But why would you do that? Read both of them. NO. Read ALL the books Kristoffer J. Andersen has written. No, all the books Tellerup has published. No, all the books in the world. Um, okay, that may be overdoing it a bit. Just start with this one.

currently writing book two of The Isle of Sovereigns saga She is a fan of J R R Tolkien Publisher s website <http://www.strategicpublishinggroup.com/title/MaidenOfTheCrescentMoon/TheIsleofSovereigns.html> *Mesoamerica After the Decline of Teotihuacan, A.D. 700-900* Richard A. Diehl, Janet Catherine Berlo, 1989 **Living with Strangers** David G. McCrady, 2006-01-01 The story of the Sioux who moved into the Canadian American borderlands in the later years of the nineteenth century is told in its entirety for the first time here Previous histories have been divided by national boundaries and have focused on the famous personages involved paying scant attention to how Native peoples on both sides of the border reacted to the arrival of the Sioux Using material from archives across North America Canadian and American government documents Lakota winter counts and oral history *Living with Strangers* reveals how the nineteenth century Sioux were a people of the borderlands The Sioux made great tactical use of the Canada United States boundary They traded with the M tis of Canada often in contraband goods such as arms and ammunition and tried to get better prices from European traders by drawing the Hudson s Bay Company into competition with American traders They opened negotiations with both Canadian and American officials to determine which government would accord them better treatment and they used the boundary as a shield in times of warfare with the United States Until now the Canadian American borderlands and the people who live there have remained a blind spot in Canadian and American nationalist historiographies *Living with Strangers* takes readers beyond the traditional dichotomy of the Canadian and the American West and reveals significant and previously unknown strands in Sioux history *The Mahabharata* ,1887 *The Lords of Midnight* Drew Wagar, 2025-03-03 Based on Mike Singletons epic 1984 ZX Spectrum game this is a full length Tolkienesque novel written by best selling science fiction and fantasy author Drew Wagar Set in Mike Singleton s epic realm of Midnight this story brings to life the desperate struggle of the Free and the Fey against the evil Witchking Doomdark It is clearly written by someone who has actually played the game extensively and who understands the characters and their motivations Within the events of the novel most readers will probably recognize various tactics and stratagems that they themselves have employed The author also manages to successfully dovetail the two different ways to complete the game the roleplaying quest and the militaristic wargame campaign A masterful novelization You don t have to be a fan of the original game *Lords of Midnight* to appreciate and enjoy this book Considering the scale and scope of the original game an entire land locked in ice with dozens of castles and cities inhabited forests all being fought over in almost real time by multiple armies of a malevolent overload in true Tolkein fashion it s a minor miracle that the book is only 550 or so pages I devoured this book which brings to life the characters landscape and lore of Midnight perfectly Author Drew Wagar sets out an excellent storyline and plot which is a key challenge in itself given the open world nature of the game Wagar s story also brings to life the legendary characters of Midnight in a compelling and convincing manner This is a key storytelling challenge as the leading characters Luxor Morkin Rorthron and Doomdark have very close equivalents in Tolkein s masterpiece *The Lord of the Rings* *The Lords of Midnight*

The land of Midnight was cursed into eternal winter many thousands of moons ago The survivors battle hardship famine and war even beating back Doomdark the Witchking in a battle that lives on in legend But now at the Winter Solstice neither the Lords of Midnight or the Fey of the Forest can resist his greatest weapon the ice fear Their only hope rests in ancient lore the myth of a long lost house and the legend of the Moonprince
