However his peace is about to be shattered for when a young girl goes missing it is he who discovers her disfigured body hidden in a wood. Disturbed by what he has seen he is convinced the killer has struck before. When a second body is found Madden's instinct is proved right there is a multiple killer at large. Allying himself with his old colleagues and against the wishes of his anxious wife he immerses himself in one more case and his insights into the personality of the man they are seeking are soon borne out. But he will have to stay one step ahead of a killer who is a master of reinvention and who has been covering his tracks for many years. And soon significant links are discovered in Germany where the Nazis are on the brink of power. Enjoy more of this historical crime series with *The Dead of Winter* and *The Reckoning*. *A Blood-dimmed Tide* Amos Elon, 2001 Amos Elon has been reflecting and reporting the state of Israel since 1967. His essays and reportage collected here provide insights into Israeli paradoxes, passions and predicaments. It includes essays on Moshe Dayan's romantic and unsettling influence on the national imagination, the moves towards peace with the Palestinians and Israel's precarious neutrality in the Gulf War. [Biblical Echo and Allusion in the Poetry of W.B. Yeats](#) Dwight Hilliard Purdy, 1994 This book treats the poetics of biblical allusion in the lyric poetry of William Butler Yeats and the ways in which the King James Bible became for Yeats a model for poetry as a communal voice shaping a culture. The introduction analyzes the critical history of what Eleanor Cook has termed the poetics of allusion, emphasizing the work of the Italian rhetorician Gian Biagio Conte and the American critic and poet John Hollander. The major topics considered here are allusions as the intersections of texts as figures of speech and as structural signifiers; the centrality of the reader in the study of allusion; the quality of allusions; their placement and varying degrees of clarity; and the centrality of the study of allusion to cultural criticism. The first chapter is concerned with the development of the Bible as a model for secular poetry from the late eighteenth century to Yeats, surveying Bishop Lowth, Blake, Coleridge, Wordsworth, Shelley and Matthew Arnold as well as Yeats's references in his prose works to the Bible as a model for art and the artist and his desire to restore the Bible as sacred text yet write his own Bible. Chapters 2 through 5 take up in detail the poetics of biblical allusion and echo in the poems. Chapter 2 treats the poetry of the nineties here Yeats usually engages the Bible as an antagonist, subverting it for the sake of a Celtic consciousness denying its exclusive claim to spiritual truth. But many biblical echoes show Yeats's dependence upon the Bible as a guide to poetic language. Chapter 3 concerns the poetry from *In the Seven Worlds* to *The Wild Swans at Coole*. Yeats looks on Scripture with an ironic eye, often replacing it with what he calls haughtier texts, the parables, prayers, visions and private revelations that mirror biblical models and make biblical texts into warrants for his own theory of rebirth. Chapter 4 is a close reading of biblical intertextuality in seven poems. The Second

Coming Sailing to Byzantium Meditations in Time of Civil War Nineteen Hundred and Nineteen Prayer for My Son Dialogue of Self and Soul and Vacillation In these major poems Yeats displays his antitheticality as Hazard Adams calls it putting into dramatic tension biblical texts and his own heterodox ideas about birth death and resurrection Chapter 5 examines the poetry after Vacillation where Yeats gives biblical texts often text used before a new sensual gloss but also admits the limits of a high talk derived from scriptural language Chapter 6 places Yeats in the broad context of biblical intertextuality working backward from modernism to Romanticism First the study contrasts Yeats with two of his contemporaries D H Lawrence and T S Eliot for whom the Bible always asserts its religious authority in the Victorian tradition of Arnold Clough Browning and Tennyson The study concludes by comparing Yeats to Wordsworth and Shelley Although Yeats is deeply indebted to them his attitude is distinct from theirs even when rejecting the Bible Wordsworth and Shelley accept a dogmatic view of it while Yeats escapes dogmatism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Marxist Literary Criticism Today Barbara Foley, 2019-02-20 Winner of the CHOICE Outstanding Academic Book Prize 2019 Shortlisted for the Isaac Deutscher Prize 2019 Why Marxism Why today In the first introduction to Marxist literary criticism to be published in decades Barbara Foley argues that Marxism continues to offer the best framework for exploring the relationship between literature and society She lays out in clear terms the principal aspects of Marxist methodology historical materialism political economy and ideology critique as well as key debates among Marxists and non Marxists alike about the nature of literature and the goals of literary criticism and pedagogy Foley examines through the empowering lens of Marxism a wide range of texts from Jane Austen's *Pride and Prejudice* to E L James's *Fifty Shades of Grey* from Frederick Douglass's *What to the Slave Is the Fourth of July* to Annie Proulx's *Brokeback Mountain* from W B Yeats's *The Second Coming* to Claude McKay's *If We Must Die* **The Building** David Alexander, 2008-10-03 The inside story of the Pentagon the building and the personalities and politics that have brought it to life **Poetic Remaking** George Bornstein, 1990-10-01 This volume offers a coherent view of post romantic poetic development through selective examples both of individual poems and of poetic influence Bornstein focuses most centrally on Browning in the Victorian period and Yeats and Pound in the Modern but also looks more briefly at works by Wordsworth Coleridge Keats Shelley Arnold Tennyson and Eliot The introductory manifesto *Four Gaps in Postromantic Influence Study* posits four new orientations for such work taking the volume rather than the individual poem as a unit stressing more centrally the Victorian mediation between Romantic and Modern allowing for national differences among English Irish and American traditions and basing influence studies as much on manuscript materials as on finished products Each of the following chapters follows one or more of those orientations The initial four chapters *Remaking Poetry* focus on readings of specific poetic texts The first treats Browning's first major volume as a unit the second reads his dramatic monologue *Pictor Ignotus* against Romantic acts of mind the third maps distinctively Victorian variations in the major form known as Greater Romantic Lyric and the fourth explores Yeats's

mature revision of that form The second group of four chapters *Remaking Poets* stresses the dynamics of literary influence by which poets turn their forerunners into figures helpful to their own development The first three examine Yeats's encounter with Dante Spenser Browning and Tennyson respectively the fourth treats Pound's remaking of the poet he called his poetic father Browning in a way that suggests the limits of anxiety models of poetic influence For this volume Professor Bornstein has revised and expanded a select group of his recent essays and added a new one on the Greater Victorian Lyric *Joy Renewed* Benjamin Fischer, Cedric Kanana, 2021-07-23 Countless Americans suffer from chronic joylessness through meaningless work and the loss of significant human connection Often called an age of despair late modernity desperately needs joy and although Christians are the ones who have access to it many have tragically forgotten how to find it *Joy Renewed* takes a hard look at what afflicts Western society including Christians and provides a reorientation of life that opens the heart to God's good design Fischer and Kanana bring together truth from biblical narratives with glittering insights from the experience of East African suffering to dissect contemporary social ills and offer a layered prescription for rediscovering joy **On the Eve of the Millennium** Conor Cruise O'Brien, 1995-11-01 All my life writes Conor Cruise O'Brien I have been fascinated and puzzled by nationalism and religion by the interaction of the two forces sometimes in unison sometimes antagonistic In these wide ranging and penetrating essays O'Brien examines how throughout the world today these age old forces are once again threatening democracy the rule of law and freedom of expression particularly in the United States the nation founded on Enlightenment values He weaves together beautifully written discussions on these and other timely related topics Enlivening his grim predictions with dry wit he nevertheless conveys an apocalyptic sense of the threats facing democracy as we approach the third millennium *From an Existential Vacuum to a Tragic Optimism* Barbara A. Heavilin, Charles W. Heavilin, 2014-07-03 *From an Existential Vacuum to a Tragic Optimism* The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis Victor Frankl's logotherapy from the Greek logos for word or reason and often related to divine wisdom a unique form of existentialism On the basis of his observations of the power of human endurance and transcendence the discovery of meaning even in the midst of harrowing circumstances Frankl diagnoses the malaise of the current age as an existential vacuum a sense of meaninglessness He suggests that a panacea for this malaise may be found in creativity love and moral choice even when faced with suffering or death He affirms that human beings may transcend this vacuum discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism This book observes both the current age's existential vacuum a malaise of emptiness and meaninglessness and its longing for meaning and God as reflected in three genres poetry novel and fantasy Part I Reflections of God in the Poetic Vision addresses tragic optimism hope when there seems to be no reason for hope in poems by William Butler Yeats T S Eliot Samuel Taylor Coleridge and Gerard Manley Hopkins Part II American Angst Emptiness and Possibility in John Steinbeck's Major Novels presents a study of Steinbeck's
