An East Tennessee Nightmare
Lying in Wait Babette Anton,2008-11 The men and women of Appalachia are strong and self sufficient In Roane County Tennessee they most often have lived on and between the foothills of the Great Smokey Mountains Times changed and as they did in this story those who had become clearly isolated in their long standing culture took change personally They didn t like it Leon and Rocky Houston are two such men along with a large group of sympathetic followers In the end that sympathy portrayed years of self styled anti government lawsuits as well as the death of a sheriff s deputy and his retired disabled ride along officer To believe the fifteen to twenty years of this rising storm ended in death for two men patrolling the public road reserved for the Houston clan came only as somewhat of a surprise To believe that the storm clouds descended due to a school zone traffic violation five years before the killin s was at first a mystery But a deep look at Rocky s 2001 courtroom ticket tantrum unveiled much more Then and there he reportedly threw himself on the floor while yelling if you remember Waco you haven t seen anything yet The comment s starkness unwinds within the book to explore the sovereign citizens and militia mania of the 90 s and where that might have taken the brothers Houstons thinking and need to kill a few cops

Blood Brothers Randy Roberts,Johnny Smith,2016-11-01 An engrossing and important book Wall Street Journal that brings to life the fateful friendship between Malcolm X and Muhammad Ali In 1962 boxing writers and fans considered Cassius Clay an obnoxious self promoter and few believed that he would become the heavyweight champion of the world But

Malcolm X the most famous minister in the Nation of Islam saw the potential in Clay not just for boxing greatness but as a means of spreading the Nation's message. The two became fast friends keeping their interactions secret from the press for fear of jeopardizing Clay's career. Clay began living a double life: a patriotic good negro in public and a radical reformer behind the scenes. Soon however their friendship would sour with disastrous and far reaching consequences. Based on previously untapped sources from Malcolm's personal papers to FBI records, **Blood Brothers** is the first book to offer an in depth portrait of this complex bond. An extraordinary narrative of love and deep affection as well as deceit, betrayal and violence, this story is a window into the public and private lives of two of our greatest national icons and the tumultuous period in American history that they helped to shape.

When you're running the streets, loyalty is everything. Gangs rule the streets of the rough Gallowburn Estate in Glasgow, but the deepest rivalry of all is between Jamie Gray and his friends known as the Blood Brothers and their enemies the Lawsons. The two gangs clash frequently, but when a phone containing incriminating evidence disappears after a particularly brutal run, the stakes are higher than ever. Jamie's mother Jackie is as hard as nails and is not going to let anyone hurt her boy, even if she has to roll up her sleeves and get stuck in. What she wants more than anything though is to see Jamie turn his back on the street life. And when he meets spoilt rich girl Allegra who has a penchant for shoplifting, Jackie thinks she could be Jamie's way out. But with the Lawsons closing in and everyone taking sides, there is only one way out for Jamie and to triumph, he must take out his biggest enemy.
