Blood Moon The Reckoning:

Blood Moon Connie Laux, Constance Laux, 1995-12-21 The summer turns deadly when a young man is found dead in the panther cage It is then that the twisted Max Kettering actually makes an appearance with a frightening proposal for Kate and a dire threat for her boyfriend Jesse A bizarre act of love and sacrifice must take place on the night of the blood moon or all of them will die This is the conclusion of the trilogy

Blood Moon John Sedgwick, 2019-04-16 An astonishing untold story from the nineteenth century a riveting engrossing American Epic The Wall Street Journal and necessary work of history that reads like *Gone with the Wind* for the Cherokee A vigorous well written book that distills a complex history to a clash between two men without oversimplifying Kirkus Reviews Blood Moon is the story of the feud between two rival Cherokee chiefs from the early years of the United States through the infamous Trail of Tears and into the Civil War Their enmity would lead to war forced removal from their homeland and the devastation of a once proud nation One of the men known as The Ridge short for He Who Walks on Mountaintops is a fearsome warrior who speaks no English but whose exploits on the battlefield are legendary The other John Ross is descended from Scottish traders and looks like one a pale unimposing half pint who wears modern clothes and speaks not a word of Cherokee At first the two men are friends and allies who negotiate with almost every American president from George Washington through Abraham Lincoln But as the threat to their land and their people grows more dire they break with each other on the subject of removal In Blood Moon John Sedgwick restores the Cherokee to their rightful place in American history in a dramatic saga that informs much of the country's mythic past today Fueled by meticulous research in contemporary diaries and journals newspaper reports and eyewitness accounts and Sedgwick's own extensive travels within Cherokee lands from the Southeast to Oklahoma it is a wild ride of a book fascinating chilling and enlightening that explains the removal of the Cherokee as one of the central dramas of our country

Ian Frazier Populated with heroes and scoundrels of all varieties this is a richly evocative portrait of the Cherokee that is destined to become the defining book on this extraordinary people

The Alpha's Forbidden Contract Elena Everhart, 2025-08-23 Lyra never expected her life to spiral into chaos the night her wolf was bound and her freedom stolen As punishment for a crime she didn't commit her own brother sold her into servitude leaving her trapped in a life without hope That all changes with the arrival of Damon the powerful Alpha with a dark past and a secret contract that could shift the balance of power forever Drawn to Lyra in ways he can't explain Damon is determined to free her from the chains of her old life But danger lurks in the shadows an ancient prophecy buried secrets and a forbidden desire that could destroy them both With enemies closing in and time running out Lyra and Damon must confront their deepest fears and make choices that will change the fate of the packs Can their bond survive the dangers that lie ahead or will the weight of their forbidden contract tear them apart In *The Alpha's Forbidden Contract* passion and power collide in an unforgettable battle for survival Perfect for readers who crave steamy romance thrilling suspense and heart stopping twists this is a tale of love that defies the odds
