Blood Red Moon:

The Secret Hidden in Plain Sight Hoppy Bishop, 2014-05-23 God and Christ desperately want us to know what Satan has been able to obscure and hide from mankind Christ had one simple message he told everyone We dont know what God and Christ desperately want us to know The truth is in Scripture and the keys to unlocking the secrets are available to this generation This book will open your eyes to unbelievable truths The story is so fantastic that it eclipses fiction and much of what we have discovered flies in the face of inherited beliefs We must be prepared to consider Scripture confirmed by history current events and new scientific discoveries Gods holy day memorial commands and observances detail what has happened and what will surely happen again The news is good for believers and those who are willing follow a simplified plan to understand what your Bible has to say about Gods purpose to save all mankind Somehow we have lost our way and the secret is hidden in plain sight It is in your Bible but roadblocks have crept into our interpretations and our understanding that frustrate the efforts of what God and Christ have to say Once you begin to challenge yourself to dig deeper you will see and understand more of what God would have you know There are signs and wonders in Scripture in memorial observances and in the heavens that will open your eyes to fantastic events around us right now *The Rapture 2028: America's Countdown to Apocalypse!* David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God s will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14 [Earthquake Resurrection](#) David W. Lowe, 2005-08 EARTHQUAKE RESURRECTION presents a model for future events that will challenge the traditional interpretation of the prophecies of the Bible Discover a shocking link between the

V. Johnson,2014-07-29 High on the Mountain is a prophetic and historical documentation of the Jewish people Four thousand years ago the Jewish people were in an area which would two thousand years later be named by the Romans as Palestina God made a covenant with Abraham and his descendants that the land would be theirs forever Prophecy stated that the Jewish descendants would go into captivity Four hundred fifty years later they were led from their Egyptian captivity and occupied the land of their fathers High on the mountain of Moriah was a city called Jerusalem which would become their capital city under David There was also a thirty five acre plot of land that had been dedicated as the Temple Mount and would become known to the world as the holiest plot of land in the world The Jewish people and their beloved city would survive until 587 BC when they were taken into captivity by the Babylonians They would return to the land that they considered their homeland They were almost completely destroyed by the Romans in AD 70 and would be scattered throughout the world The land became a desolation and unproductive just as prophecy had stated Although they have been subjected to a multitude of attacks cruelties persecutions and deaths by the millions they would again return to their beloved land and become the Nation of Israel They would reclaim their capital city of Jerusalem and the Temple Mount A land that was said to be dead forever would again flourish and become productive Why was this land so important What is their claim to the land Who actually owns the land How could a land become productive again and better than before What has the prophetic word of God said about this land and these people High on the Mountain will address all these questions and much more **The Ghosts of Magnificent Children** Caroline Busher,2016-12-14 The year is 1848 It is a time when magic and
