exchanged in the cathedral last night That is one reason the least one I believe He mentioned that his sister Miss Lisle Stay Chisholm I will hear no more of this cried Stuart then suddenly changing his mind added Ah well his sister Miss Alice Lisle Go on Faith Stuart you seem confoundedly confused Do settle this matter in peace Lisle has told me the story in confidence and I think you have been to blame indeed you have Send Lisle an apology for I assure you he is boiling with passion and will not yield a hair s breadth To be continue in this ebook **Adventures of the Gordon Highlanders in Spain, France, and Belgium** James Grant,1848 **Plays: Four** Antony J Stowers,2019-02-11 The Dishwasher A worker in a nameless faceless basement kitchen begins his work as a dishwasher and relishes informing us of every fine detail of his job A disturbing nightmare ish study of the uneducated unqualified and oppressed workers of the world finding their voice Confessions Of A Rock n Roll Star The world has rock n roll stars for that we must be thankful Sadly we re not all going to get to be one Nonetheless millions of us can still pose in front of our mirrors with tennis racquets and sweeping brushes slung between our legs like fake guitars and dream and that s better than nothing Featuring classic rock tracks wallow indulgently in a one man fantasy guitar solo as homage to a wasted youth Gauguin s Ghost An informal study of the life of the artist Paul Gauguin A well researched piece it explores the idea that Gauguin on his deathbed sold his soul to a witch doctor in exchange for immortality in spirit form We meet those who shaped his art and hear tell of how he pursued his own singular vision at all costs Tommy Greaves Is an alternative take on Billy Elliot Older than Billy Tommy tells his own maturer story of the grittier realities of what it meant to be young and unemployed during the Miner s Strike of 1984 This work was given a public reading in English in Paris in February 2015 Unspoken Written in 2015 as Two Gendarmes and then updated in 2019 as Unspoken it is a story of an older more seasoned French policeman instructing a younger female recruit to the obvious and the not so obvious elements of the job first performed in French May 2023 in Nantes France
